I. Project Overview

A. Introduction/Statement of Purpose

This Request for Proposals (“RFP”) notifies non-profit organizations that the City of Philadelphia (“City”), by and through the Office of the Managing Director (“MDO”), is seeking eligible applicants (“Applicants”) seeking proposals from qualified non-profit organizations to develop or expand programs to reduce evictions in Philadelphia or buffer its effects. For this project, eviction is defined as involuntary residential moves ordered by property owners or due to poor housing conditions. The program should include the development of improvements to existing systems, policy, or programs coupled with the direct service of individuals in need of services to ensure the maximum impact for the resources provided.

This Request for Proposals (RFP) provides an overview of the project objectives, the scope of the work, the project deliverables, and the project time line. It also includes information on the proposal submission requirements and the contractor selection process.

B. Department Overview

Office of the Deputy Managing Director for Health & Human Services

The Office of the Deputy Managing Director for Health & Human Services (HHS) will serve as project manager for this initiative on behalf of the Managing Director’s Office. The mission of HHS is to foster the health and well-being of Philadelphians from a healthy start to a safe and supported future. It accomplishes this by overseeing and providing strategic direction to the City agencies primarily focused on supporting vulnerable individuals. These agencies include the following: Department of Human Services, Department of Behavioral Health and Intellectual disAbility Services, Department of Public Health, Office of Homeless Services, and the Office of Community Empowerment and Opportunity. For more information on HHS, visit [http://www.phila.gov/hhs/pages/default.aspx](http://www.phila.gov/hhs/pages/default.aspx)

Division of Housing and Community Development

The Division of Housing and Community Development will be providing program support and Community Development Block Grant (CDBG) funding to this initiative. DHCD is the City’s housing policy and primary contracting agency for housing services. It is responsible for the administration of housing and community development programs that benefit low- and moderate-income residents. DHCD supports a range of activities including the construction and rehabilitation of affordable rental and homeownership units; housing preservation programs; housing counseling services, and real estate disposition programs.

C. Project Background

Eviction—involuntary residential moves ordered by property owners due to issues such as arrears, behavioral problems, housing conditions or other landlord-tenant issues—is a harmful force in the lives of far too many Philadelphians. Between 2010 and 2015, one in fourteen Philadelphia renters faced a formal eviction filing, a figure comprised of 19,000 to 21,000
eviction cases each year during this period. In addition, thousands more experience informal evictions, where renters are forced to move by the property owner, although a court eviction filing does not occurred.

This epidemic has enormous costs, both economic and social. Eviction and housing instability place financial burdens on the City’s homelessness system, lead to more expensive turnover fees for property owners and housing authorities, and burdened tenants with unplanned financial shocks that often precipitate far-reaching consequences. The collateral effects of eviction create stigma and can perpetuate homelessness through damage to renters’ credit, including the use of tenant screening programs that screen tenants based on an eviction-related court record no matter the cause or outcome.

Consistent with national trends, Philadelphia’s vulnerable and historically underserved communities are disproportionately impacted by evictions. Research indicates that Philadelphia neighborhoods with the highest eviction rates are either lower income, predominately African American, or both. Nineteen percent of Philadelphians with an eviction filing between 2005 and 2013 were involved with the City’s Health and Human Services (HHS) agencies. Of this group, 59% were members of a female headed household. Consequently, involuntary displacement drives family homelessness, disrupts work and school, hinders neighborhood integration, and when compelled by complaints about housing quality issues, is often coupled with physical health issues, difficulties managing preexisting conditions, and toxic stress that impinges upon families’ mental health. It also promotes “material hardship” in which households lose their possessions and are left with little choice but to rent units of last resort in neighborhoods with higher levels of poverty and crime.

Local and national data analyses have placed the poor outcomes engendered by eviction, housing instability, and their attendant matters in sharp relief. It is thus critical that the City of Philadelphia create a strategic approach for addressing eviction.

Demands for key services to support those experiencing eviction are growing. Even significant, new investments to the current systems will not be sufficient to serve everyone in need. To meet this challenge, we must test new models and refine current approaches to the work to begin to address this issue at scale.

This project intends to provide direct services to individuals experiencing eviction as well as develop new policy and program tools to address the larger systemic issue.

D. Eligibility

Lead applicant must be a not-for-profit organization. Organizations may submit more than one proposal in response to this RFP.

The eligible non-profit applicant must demonstrate the financial and management capacity and experience to carry out the work as detailed in its project application. In addition, they must have:
- Five (5) years of experience operating programs specifically serving individual experiencing eviction;
- Demonstrated cultural competency, particularly supporting vulnerable communities such as immigrants, refugees, people with disabilities, and single parent households;
- Expertise in operating programs using a trauma-informed approach;
- Experience in policy or program improvement planning and implementation or new policy or program development;
- Capacity to track program outputs and outcomes;
- Experience in leveraging existing resources with new funding to expand impact;
- Ability to serve and operate programs on a citywide basis;
- Experience in program reporting, including fiscal, programmatic, and outcomes reporting;
- Experience managing large contracts and high regulated funding streams;
- Financial solvency and administrative capacity to operate a program of the indicated scope;
- Demonstrated track record of being an equal opportunity employer, without any founded charges of unfair hiring or promotions within the past ten years;
- Not currently indebted to the Federal Government, State of Pennsylvania, or the City of Philadelphia for nonpayment of taxes, fines, judgement, liens or fees.

Please note that the contract compliance and performance level of any currently contracted operator will be considered during the proposal review process. Currently contracted operators applying under this RFP should address in their response any contract compliance or administrative issues, reporting and/or recordkeeping issues or any other issue/s, which have affected their performance.

E. Request for Proposals

The Office of the Deputy Managing Director for Health & Human Services projects that successful applicants will be awarded a contract for the term beginning November 15th, 2017 and ending June 30th, 2018. HHS anticipates there will be opportunities for ongoing funding, based on funding availability and performance.

The total amount of funding available under this RFP is $500,000.

Additional requirements:
- Must coordinate with HHS, the Division of Housing and Development, the Office of Homeless Services, and other providers serving individuals experiencing eviction;
- Must provide data to HHS on all participants of the pilot; and
- Must be willing to participate in project evaluation activities.

F. General Disclaimer of the City

This RFP does not commit the City of Philadelphia to award a contract. This RFP and the process it describes are proprietary to the City and are for the sole and exclusive benefit of the City. No
other party, including any Applicant, is intended to be granted any rights hereunder. Any response, including written documents and verbal communication, by any Applicant to this RFP, shall become the property of the City and may be subject to public disclosure by the City, or any authorized agent of the City.

II. Scope of Work

A. Project Details

The goals of this project are to:

- Reduce eviction-related actions by rental property owners and managers (such as a court filing or verbal notice) from resulting in the involuntary removal of a family or individual from their home. Identify new approaches to policy or programs, or changes to existing systems that can be used to significantly reduce the number of evictions that occur in Philadelphia.

The Office of the Deputy Managing Director is seeking proposals that provide direct services to individuals who are currently experiencing or who are at imminent risk of eviction coupled with innovations in policy or program that will provide a scalable impact on the state of evictions in Philadelphia. Interventions should be targeted at low-income residents who are most vulnerable to eviction.

Direct services could include (but are not limited to):

- Expansion of information, education, training, support and counseling for renters at risk of eviction or in the process of being evicted
- Expansion of the counseling help desk services at landlord-tenant court
- Expansion of help line to be able to deal with emergency eviction issues
- Coordination of volunteer pro bono attorneys for eviction defense to underserved communities

Policy or program innovations could include (but are not limited to):

- Designing and implementing changes to the delivery of services by the legal help desk to increase utilization and impact
- Developing a data-driven outreach campaign for individuals at risk of eviction to better educate them about their rights and increase access to eviction defense and prevention resources
- Pilot to explore rent reserve accounts matched by the provider
- Providing training and supporting the implementation of process improvement strategies for the courts to improve outcomes for tenants, particularly those who are unrepresented
- Strengthening coordination among multiple services such as legal services, financial assistance, tenants’ rights education, and housing counseling

Organizations are encouraged to partner, so that non-profits with expertise in specific services and agencies with experience in policy and program development can provide a comprehensive and coordinated intervention. Projects with multiple partners should indicate one lead agency.
that the City would contract with. The other partners would operate as sub-contractors to the lead agency.

The selected organization will work with the City to finalize the scope of their project to maximize the effectiveness of the project in meeting the identified goals.

**B. Services and Tangible Work Products**

Services and program or policy innovations should incorporate national best practices by supporting individuals to achieve the following core outcomes:

- Stable and safe housing for low-income renters
- An eviction proceedings outcome that does not result in the involuntary removal from the home
- A reduction in the initiation of eviction proceedings (either informal or formal)
- A reduction in the number of unlawful evictions

Organizations will be asked to demonstrate how the output they expect to deliver will lead to the above outcomes.

The selected provider would be responsible for the following:

- Delivery of direct services to low-income tenants to prevent eviction or buffer its effects for those individuals
- Development of an implementation plan to improve or develop a new system approach, policy, or program to support low-income tenants experiencing eviction more broadly
- Oversee the implementation of the improvement or development plan to completion and demonstrate the delivery of that change to the system
- Subcontracting with other organizations as necessary

Funds are not available for major rehabilitation or capital costs. Funds cannot support existing programs; the proposed intervention must clearly expand the capacity of services for low-income tenants facing eviction.

**C. Hours and Location of Work**

Services must accommodate the location, time preferences, and schedules of the low-income tenants to be served, including availability on evenings and weekends.

**D. Monitoring**

HHS will establish the method and frequency of monitoring. The selected applicant will be responsible for meeting the contract goals and performance levels that will be incorporated into the contract agreement. HHS shall monitor and evaluate the performance of the contracted operator according to the program scope and related service details identified in the scope of services. HHS shall review written policies, monthly reports, conduct site visits and hold periodic conferences with the contracted provider to evaluate performance. By submission of a proposal in response to this RFP, the Applicant agrees to comply with all contract monitoring and evaluation
activities undertaken by the City of Philadelphia, and with all security policies and requirements of the City.

E. Reporting Requirements

The successful Applicant shall report to the City of Philadelphia on a regular basis regarding the status of the project and its progress in providing the contracted services and/or products. At a minimum, the successful Applicant shall submit a monthly invoice detailing the services and/or products provided, the goals/tasks accomplished, and the associated costs. If hourly rates are charged, the invoice must also detail the number of hours, the hourly rate, and the individual who performed the service.

Additional details of reporting requirements by the various funding sources and/or HHS will be distributed upon contract award. It is the applicant’s responsibility to facilitate staff training on how to maintain and distribute the information as required. HHS will provide technical assistance to applicants who do not have the internal expertise to set up such applications. Failure to submit this report may delay reimbursements to the provider. Reporting requirements will include documenting income for program participants in accordance with Community Development Block Grant guidelines.

F. Specific Performance Standards

The City expects that the contract resulting from this RFP will include performance and quality standards for the project. The City reserves the right to reject any item of work that does not meet the Department’s minimum standards of performance and quality, or that does not conform to the contract scope of work. The City shall not be obligated to pay for rejected work.

C. Notice to Applicants to State Requested Exceptions to Contract Terms in Proposal

The City’s standard contract terms and conditions for services of the type sought by this contracting opportunity (Contract Terms) are set forth in the General Provisions attached to this RFP as Appendix A. By submitting a proposal in response to this contract opportunity, the Applicant agrees that, except as provided herein, it will enter into a contract with the City containing substantially the Contract Terms.

Applicants must state clearly and conspicuously any modifications, waivers, objections or exceptions they seek (“Requested Exceptions”) to the Contract Terms in a separate section of the proposal entitled “Requested Exceptions to Contract Terms.” For each Requested Exception, the Applicant must identify the pertinent Contract Term by caption and section number and state the reasons for the request. The Applicant must also propose alternative language or terms for each Requested Exception. Requested Exceptions to the City’s Contract Terms will be approved only when the City determines in its sole discretion that a Requested Exception makes business sense, does not pose unacceptable risk to the City, and is in the best interest of the City. By submitting its proposal, the Applicant agrees to accept all Contract Terms to which it does not expressly seek a Requested Exception in its proposal. The City reserves the right, in its sole discretion, to evaluate and reject proposals based in part on whether the Applicant’s proposal contains Requested Exceptions to Contract Terms, and the number and type of such requests and alternative terms proposed.

If, after the City issues its Notice of Intent to Contract to an Applicant, the Applicant seeks Requested Exceptions to Contract Terms that were not stated in its proposal, the City may, in its sole discretion, deny the Requested Exceptions without consideration or reject the proposal.

The City reserves the right, in its sole discretion, (i) to waive any failure to comply with the terms of this Notice to Applicants if it determines it is in the best interest of the City to do so; and (ii) to require or negotiate terms and conditions different from and/or additional to the Contract Terms in any final contract resulting from this contract opportunity, without notice to other Applicants and without affording other Applicants any opportunity to revise their proposals based on such different or additional terms.

D. Health Insurance Portability and Accountability Act (HIPAA)

The Health Insurance Portability and Accountability Act, commonly known as HIPAA, is a federal law that regulates and protects the privacy and confidentiality of an individual’s health related information. This section of the RFP Template is relevant for City contracts under which the contractor may have access to the health information protected by HIPAA that is maintained by the City agencies listed below.

The City is considered a “Covered Entity” under HIPAA. The City agencies that the City has designated as “Covered Components” of the City (meaning they maintain the kind of health related information that is protected by HIPAA) are the following:
- Ambulatory Health Services, a unit of the Department of Public Health (DPH);
- Office of Behavioral Health/Intellectual Disability Services (OBHIDS);
- Philadelphia Nursing Home, (a unit of DPH);
- Benefits Administration Unit of the Office of Human Resources, (in its capacity as sponsor of the City’s Employee Group Health Plan);
- Emergency Medical Services (a unit of the Philadelphia Fire Department), and
- Public Health Laboratory.

The work to be provided under any contract entered into pursuant to this RFP may be subject to the federal Health Insurance Portability and Accountability Act (HIPAA), as amended, and/or other state or federal laws or regulations governing the privacy and security of health information. The selected Applicant must comply with the “Terms and Conditions Relating to Protected Health Information” which are posted on the City’s website at https://secure.phila.gov/eContract/ under the “About” link and which will be incorporated into the contract by reference.

**E. Office of Economic Opportunity – Participation Commitment/Diversity Reports**

Each Applicant is subject to the provisions of Mayoral Executive Order 03-12, the City’s Antidiscrimination Policy, and is required to exercise its “Best and Good Faith Efforts” in response to the ranges specified in Appendix B, included with this RFP for participation by Minority Business Enterprises (“MBE”), Woman Business Enterprises (“WBE”) and Disabled Business Enterprises (“DSBE”) (collectively, “M/W/DSBE”) as those terms are defined in Executive Order 03-12. Forms, instructions and special contract provisions for the Antidiscrimination Policy explain these requirements in more detail and are included in Appendix B-1 to this RFP. The City encourages proposals from M/W/DSBE Applicants. M/W/DSBE Applicants, like all other Applicants, are required to submit a proposal that is responsive to the Antidiscrimination Policy. The M/W/DSBE Applicant will receive credit towards the participation range for its certification category (i.e., MBE range, WBE range or DSBE range).

If Applicant is a nonprofit organization, Mayoral Executive Order 03-12 requires nonprofit Applicants to document their diversity policies. Applicants that are nonprofit organizations should refer to the special contract provisions and instructions attached to this RFP as Appendix B-2. Included in Appendix B-2 is the form, “Diversity Report of Nonprofit Organizations,” which should be completed and returned with proposals submitted by nonprofit Applicants in addition to the Solicitation for Participation and Commitment form.

**F. The Philadelphia Tax and Regulatory Status and Clearance Statement**

It is the policy of the City of Philadelphia to ensure that each contractor and subcontractor has all required licenses and permits and is current with respect to the payment of City taxes or other indebtedness owed to the City (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), and is not in violation of other regulatory provisions contained in the Philadelphia Code. To assist the City, through its Department of Revenue and Department of Licenses and Inspections, in determining this status, each Applicant is required to submit with its proposal the certification statement entitled City of Philadelphia Tax and Regulatory Status and Clearance Statement which is attached to this RFP as Appendix C.
If the Applicant is not in compliance with the City’s tax and regulatory codes, an opportunity will be provided to enter into satisfactory arrangements with the City. If satisfactory arrangements cannot be made, Applicants will not be eligible for award of the contract contemplated by this RFP.

The selected Applicant will also be required to assist the City in obtaining the above information from its proposed subcontractors (if any). If a proposed subcontractor is not in compliance with City Codes and fails to enter into satisfactory arrangements with the City, the non-compliant subcontractor will be ineligible to participate in the contract contemplated by this RFP and the selected applicant may find it necessary to replace the non-compliant subcontractor with a compliant subcontractor. Applicants are advised to take these City policies into consideration when entering into their contractual relationships with proposed subcontractors.

If an Applicant or a proposed subcontractor is not currently in compliance with the City’s tax and regulatory codes, please contact the Revenue Department to make arrangements to come into compliance at 215-686-6600 or revenue@phila.gov.

Applicants need not have a City of Philadelphia Business Income and Receipts Tax Account Number (formerly Business Privilege Tax Account Number) and Commercial Activity License Number (formerly Business Privilege License Number) to respond to this RFP, but will, in most circumstances, be required to obtain one or both if selected for award of the contract contemplated by the RFP. Applications for a Business Income and Receipts Tax Account Number or a Commercial Activity License may be made online by visiting the City of Philadelphia Business Services Portal at http://business.phila.gov/Pages/Home.aspx and clicking on “Register Now.” If you have specific questions, call the Department of Revenue at 215-686-6600 for questions related to City of Philadelphia Business Income and Receipts Tax Account Number or the Department of Licenses and Inspections at 215-686-2490 for questions related to the Commercial Activity License.

**G. Compliance with Philadelphia 21st Century Minimum Wage and Benefits Ordinance**

Applicants are advised that any contract awarded pursuant to this RFP is a “Service Contract,” and the successful Applicant under such contract is a “Service Contractor,” as those terms are defined in Chapter 17-1300 of the Philadelphia Code (“Philadelphia 21st Century Minimum Wage and Benefits Standard Ordinance”) Any Subcontractor (as defined in the General Provisions attached as an Appendix to this RFP), and any sub-subcontractor at any tier proposed to perform services sought by this RFP, is also a “Service Contractor” for purposes of Chapter 17-1300. If any such Service Contractor (i.e. Applicant and subcontractors at any tier) is also an “Employer,” as that

---

1 Applicants that have a Business Privilege Tax Number should use that number, as it is automatically their Commercial Activity License Number, and need not apply for a new Commercial Activity License Number. Similarly, Applicants with a Business Privilege Tax Account Number should use that number as their Business Income and Receipts Tax Account Number.

2 Commercial Activity Licenses are not typically required for non-profit organizations; however, Business Income and Receipts Tax Account Numbers typically are required.
term is defined in Section 17-1302 (more than five employees), and is among the Employers listed in Section 17-1303 of the Code, then during the term of any resulting contract, it is subject to the minimum wage and benefits provisions set forth in Chapter 17-1300 unless it is granted a waiver or partial waiver under Section 17-1304. Absent a waiver, these minimum wage and benefits provisions, which include a minimum hourly wage that is adjusted annually based on the CPI, health care and sick leave benefits, are mandatory and must be provided to Applicant’s employees or the employees of any subcontractor at any tier who perform services related to the City contract resulting from this RFP. Applicants and any subcontractors at any tier proposed by Applicants are strongly encouraged to consult Chapter 17-1300 of the Philadelphia Code, the General Provisions, and the About/Minimum Wage and Equal Benefits Ordinances Impacting Some City Contractors links on the eContract Philly home page for further details concerning the applicability of this Chapter to, and obligations it imposes on certain City contractors and subcontractors at any tier. In addition to the enforcement provisions contained in Chapter 17-1300, the successful Applicant’s failure or the failure of any subcontractor at any tier to comply (absent an approved waiver) with the provisions of Chapter 17-1300, or any discrimination or retaliation by the successful Applicant or Applicant’s subcontractors at any tier against any of their employees on account of having claimed a violation of Chapter 17-1300, shall be a material breach of any Service Contract resulting from this RFP. By submitting a proposal in response to this RFP, Applicants acknowledge that they understand, and will comply with the requirements of Chapter 17-1300, and will require the compliance of their subcontractors at any tier if awarded a contract pursuant to this RFP. Applicants further acknowledge that they will notify any subcontractors at any tier proposed to perform services related to this RFP of the requirements of Chapter 17-1300.

H. Certification of Compliance with Equal Benefits Ordinance

If this RFP is a solicitation for a “Service Contract” as that term is defined in Philadelphia Code Section 17-1901(4) (“A contract for the furnishing of services to or for the City, except where services are incidental to the delivery of goods. The term does not include any contract with a governmental agency.”), and will result in a Service Contract in an amount in excess of $250,000, pursuant to Chapter 17-1900 of the Philadelphia Code (see footnote 3 for online access to the Philadelphia Code), the successful Applicant shall, for any of its employees who reside in the City, or any of its employees who are non-residents subject to City wage tax under Philadelphia Code Section 19-1502(1)(b), be required to extend the same employment benefits the successful Applicant extends to spouses of its employees to life partners of such employees, absent a waiver by the City under Section 17-1904. By submission of their Proposals in response to this RFP, all Applicants so acknowledge and certify that, if awarded a Service Contract pursuant to this RFP, they will comply with the provisions of Chapter 17-1900 of the Philadelphia Code and will notify their employees of the employment benefits available to life partners pursuant to Chapter 17-1900. Following the award of a Service Contract subject to Chapter 17-1900 and prior to execution of the Service Contract by the City, the successful Applicant shall certify that its employees have received the required notification of the employment benefits available to life partners and that such employment benefits will actually be available, or that the successful Applicant does not provide employment benefits to the spouses of married employees. The successful Applicant’s failure to comply with the provisions of Chapter 17-1900 or any discrimination or retaliation by

the successful Applicant against any employee on account of having claimed a violation of Chapter 17-1900 shall be a material breach of the any Service Contract resulting from this RFP. Further information concerning the applicability of the Equal Benefits Ordinance, and the obligations it imposes on certain City contractors is contained in the General Provisions attached to this RFP and the About/Minimum Wage and Equal Benefits Ordinances Impacting Some City Contractors links on the eContract Philly home page.

I. Local Business Entity or Local Impact Certification

Pursuant to Mayoral Executive Order No. 04-12, the City Department will, in the selection of the successful Applicant, consider whether that Applicant has certified that either (1) Applicant meets the criteria stated in Section 17-109(3)(b) of the Philadelphia Code to qualify as a Local Business Entity or (2) in the performance of the resulting contract, Applicant will employ City residents, or perform the work in the City. Any Applicant who wishes to demonstrate its eligibility for this consideration shall do so by completing, executing and attaching to its application a completed Local Business Entity or Local Impact Certification, the form of which is attached to this RFP as Appendix D. The Applicant shall then also include in a separate section of the application, labeled “Local Business Entity or Local Impact Certification,” a statement that the Applicant believes it has met the Local Business Entity or Local Impact criteria “as set forth in the attached Local Business Entity or Local Impact Certification.” The City Department shall deem it a positive factor where the Applicant has, in the City’s sole discretion, met the Local Business Entity or Local Impact criteria.

J. Mandatory Online Application Requirements

You must apply online in order to be eligible for award of the non-competitively bid contract opportunity described in this RFP; proposals and any other related documents prepared in response to this RFP will not be considered unless they are filed, within the prescribed time period, through eContract Philly, which can be accessed on the City’s website at www.phila.gov/contracts by clicking on eContract Philly. The posting of this RFP on eContract Philly is also referred to as a Notice of Contracting Opportunity.

The City requires that any Applicant who establishes an account on eContract Philly and utilizes that account for the purpose of responding to a particular contract opportunity is the same individual or business entity that, if awarded the contract, will enter into and perform the resulting contract with the City. Except in the case of joint ventures, applications posted on eContract Philly from Applicants that purport to be filing an application on behalf of another individual or business entity will not be considered, even if the other business entity is an affiliate of the Applicant.

In the case of multiple business entities that if awarded a contract have formed, or intend to form a joint venture to perform the contract, a single business entity may file an application on behalf of all such business entities so long as (i) the filing business entity is or will be a member of the joint venture, (ii) the application is made in the name of the existing or proposed joint venture, (iii)
documentation is submitted with the application identifying all business entities that comprise, or will comprise, the joint venture, and demonstrating a binding agreement among those business entities to perform the contract as the joint venture identified in the application (for a joint venture that has not yet been formed, documentation signed by each identified business entity evidencing a commitment to form the joint venture if awarded the contract is sufficient), and (iv) the non-filing business entities are eligible for award of a City contract and make the disclosures required by Chapter 17-1400 of the Philadelphia Code (described in greater detail below) within fourteen (14) days after the joint venture receives notice that it has been awarded the contract.

Pursuant to Chapter 17-1400 of the Philadelphia Code, Applicants are required to disclose their campaign contributions to political candidates and incumbents who are running for, or currently serving in, a local (Philadelphia) or state-wide elected office anywhere within the Commonwealth of Pennsylvania (federal campaign contributions are not included); any consultants used in responding to the RFP and contributions those consultants have made; prospective subcontractors; and whether Applicant or any representative of Applicant has received any requests for money or other items of value or advice on particular firms to satisfy minority-, woman- or disabled-owned business participation goals from City employees. This information, as well as a proposal or any other response document required, is part of the online application. For more information, please consult the reference materials found on the website, e-mail econtractphilly@phila.gov or call 215-686-4914.

Applicants are advised that under Chapter 17-1400 individuals and businesses that make campaign contributions in excess of the amounts set forth in Section 17-1404(1), as periodically adjusted, are ineligible to enter into a City contract or subcontract at any tier. Applicants should take this into consideration in electing to apply for this opportunity or in selecting subcontractors if awarded a contract to perform the work sought by this RFP.

At their option, Applicants may require that their subcontractors disclose to the Applicants, the subcontractors’ campaign contributions to political candidates and incumbents who are running for, or currently serving in, a local (Philadelphia) or state-wide elected office anywhere within the Commonwealth of Pennsylvania (federal campaign contributions are not included). Disclosure forms may be found on the Disclosure/Eligibility – Subcontractor Disclosure tab on eContract Philly. Applicants are not required to submit these forms to the City.

**Applicants who have failed to file complete applications – including the online disclosure forms – through the eContract Philly online application process prior to the closing date and time will not be considered for the contract.**

You are encouraged to start and complete your online application on eContract Philly as early as possible. Please be aware that internet connection speed depends on a variety of factors including: configuration of your computer, configuration of your business or home network, the condition of the wiring at your location, network or internet congestion (available bandwidth). Please prepare and plan accordingly to ensure a timely submission. Your proposal and other application documents will not be considered submitted until you sign the application and click on the “submit” button at the conclusion of the eContract Philly process. It is your responsibility to make
sure that you have signed and submitted your complete application to the correct contract opportunity established for this RFP.

You can begin uploading (or attaching) your proposal and other application materials at any time. It is especially prudent for you to start uploading your attachments earlier if you have a large number of attachments (e.g. over five documents) or larger-sized attachments (e.g. above 5 MB). Please be advised that the eContract Philly website will not accept documents larger than 8 MB. If you have documents larger than 8 MB, you must separate them into smaller documents in order to successfully upload them to the system. Until you sign and submit your application, your materials are not accessible to any staff with the City of Philadelphia. Once you have signed and submitted your application, your application is accessible only to appropriate contract staff within the City of Philadelphia.

You are advised that any individual who signs and submits an application on eContract Philly must be an authorized signatory of the Applicant, authorized to both bind the Applicant to its proposal and to make the disclosures required to complete the eContract Philly process. Therefore, in conjunction with their electronic signatures provided at the conclusion of the submission of their applications online, signatories will be required to certify that they are the Applicant or are employees or officers of the Applicant duly authorized to execute the application and make disclosures on the Applicant’s behalf; and they represent and covenant that, to the best of their knowledge after appropriate inquiry, all of the information and disclosures provided are true and contain no material misstatements or omissions.

K. Selection Process

This RFP is not a competitive bid subject to the requirement of Section 8-200 of the Philadelphia Home Rule Charter that award be made to the lowest responsible bidder. Cost to the City is a material factor, but it is not the sole, or necessarily the determining factor, in proposal evaluation. The City may, at its sole discretion, award a contract resulting from this RFP to a person or entity other than the responsible Applicant submitting the lowest price. If the City chooses to award a contract, that contract will be awarded to the Applicant whose proposal the City determines, in its sole discretion, is the most advantageous to the City and in the City’s best interest.

The City will base its selection on criteria that include, but are not limited to:

1. Superior ability or capacity to meet particular requirements of contract and needs of City Department and those it serves
2. Eligibility under Code provisions relating to campaign contributions
3. Superior prior experience of Applicant and staff
4. Superior quality, efficiency and fitness of proposed solution for City Department
5. Superior skill and reputation, including timeliness and demonstrable results
6. Special benefit to continuing services of incumbent, such as operational difficulties with transition or needs of population being served
7. Benefit of promoting long-term competitive development and allocation of experience to new or small businesses, including those owned by minority or disabled persons or by women
8. Lower cost
9. Administrative and operational efficiency, requiring less City oversight and administration
10. Anticipated long-term program impact
   o Anticipated long-term cost effectiveness
11. Meets prequalification requirements
   o Ability to begin in November 2017 and complete work by June 30th, 2018
12. Applicant’s certification of its Local Business Entity/Local Impact status pursuant to Executive Order 04-12

If a contract is awarded pursuant to this RFP, in compliance with Section 17-1402 (c) of the Philadelphia Code, a notice will be published on the City’s eContract Philly website (go to http://www.phila.gov/contracts and click on eContract Philly) listing the names of all Applicants and identifying the successful Applicant and the basis for the award to that Applicant. This notice will appear on the City’s website for at least one week before the contract is executed. In no event, however, shall the City Department or City Agency issuing this RFP be obligated to debrief unsuccessful Applicants as to the basis for its decision not to award a contract to them.

L. Criminal Record Checks

The Fair Criminal Record Screening Standards Ordinance became effective on April 13, 2011 and it applies to all City agencies and private businesses that employ 10 or more employees within the City of Philadelphia, including job placement and temporary employment agencies. The ordinance prohibits employers from inquiring into an applicant’s criminal history with a written employment application; inquiring into an applicant’s criminal history before or during the first interview; taking adverse action against an applicant because of past arrests or criminal accusations which did not result in convictions; inquiring into criminal records at all if the employer does not conduct interviews. Employers may conduct criminal background checks but only after the applicant’s initial interview, which may occur in person, or by telephone.

HHS requires Criminal Record Checks for all program staff and volunteers at facilities that serve single adults and/or families (adults with children) prior to hire and at five (5) year intervals thereafter. HHS will notify the selected Applicant when to submit the Criminal Record Checks.

M. Child Abuse History Clearances

HHS requires Child Abuse Clearances for all staff and volunteers at facilities serving families prior to hire and annually thereafter. HHS will notify the selected Applicant when to submit their Child Abuse History Clearances.

D. Term of Contract

It is anticipated that the initial term of the Contract shall commence on 11/15/2017 (the “Initial Term”) and, unless sooner terminated by the City pursuant to the terms of the Contract, shall expire up to nine months thereafter, on 11/14/2018. The City may, at its sole option, amend the Contract to add up to three (3) additional successive one-year terms (“Additional Terms”). Except as may be stated otherwise in such amendment, the terms and conditions of this Contract shall apply throughout each Additional Term.

V. General Rules Governing RFPs/Proposals; Reservation of Rights, Confidentiality and Public Disclosure

A. Revisions to RFP

The City reserves the right to change, modify or revise the RFP at any time. Any revision to this RFP will be posted on eContract Philly with the original Opportunity Details. It is the Applicant’s responsibility to check the eContract Philly website frequently to determine whether additional information has been released or requested.

B. City Employee Conflict Provision

City of Philadelphia employees and officials are prohibited from submitting a proposal in response to this RFP. No proposal will be considered in which a City employee or official has a direct or indirect interest.

C. Proposal Binding

By submitting its proposal, each Applicant agrees that it will be bound by the terms of its proposal for a minimum of 180 calendar days from the application deadline for this RFP. An Applicant’s refusal to enter into a contract which reflects the terms and conditions of this RFP or the Applicant’s proposal may, in the City’s sole discretion, result in rejection of Applicant’s proposal.

D. Contract Preparation Fee

Pursuant to Chapter 17-700 of the Philadelphia Code, the successful Applicant must generally pay a contract preparation fee. Regulations promulgated by the City Solicitor currently establish the following schedule of fees for preparation of the initial contract and subsequent amendments, based upon the amounts involved:

In its discretion, the Law Department may grant a full or partial waiver of any of the above fees in exceptional cases for good cause shown, such as violation of a grant covenant. Governmental entities are exempt from the fees. The Law Department reserves the right to collect up to twice the stated fee if extensive negotiation is required to reach a final contract with the successful Applicant.

E. Reservation of Rights

By submitting its response to this notice of contract opportunity as posted on the eContract Philly web site (“eContractPhilly”), the Applicant accepts and agrees to this Reservation of Rights. The term “notice of contract opportunity,” as used herein, means this RFP and includes all information posted on eContract Philly in relation to this “New Contract Opportunity” as published on eContract Philly, including, without limitation, the information posted for this opportunity on the “Detailed Information for Opportunity” page, in the eContractPhilly “Opportunity List,” and including in addition to this RFP, any other document linked to the Detailed Information for Opportunity Page or otherwise displayed on or linked to this notice of contract opportunity.

1. This Notice of Contract Opportunity
   The City reserves and may, in its sole discretion, exercise any one or more of the following rights and options with respect to this notice of contract opportunity:
   1. to reject any and all proposals and to reissue this notice of contract opportunity at any time prior to execution of a final contract;
   2. to issue a new notice of contract opportunity with terms and conditions substantially different from those set forth in this or a previous notice of contract opportunity;
   3. to issue a new notice of contract opportunity with terms and conditions that are the same or similar as those set forth in this or a previous notice of contract opportunity in order to obtain additional proposals or for any other reason the City determines to be in the City’s best interest;
   4. to extend this notice of contract opportunity in order to allow for time to obtain additional proposals prior to the notice of contract opportunity application deadline or for any other reason the City determines to be in the City’s best interest;
   5. to supplement, amend, substitute or otherwise modify this notice of contract opportunity at any time prior to issuing a notice of intent to contract to one or more Applicants;
   6. to cancel this notice of contract opportunity at any time prior to the execution of a final contract, whether or not a notice of intent to contract has been issued, with or without issuing, in the City’s sole discretion, a new notice of contract opportunity for the same or similar services;
   7. to do any of the foregoing without notice to Applicants or others, except such notice as the City, in its sole discretion, elects to post on eContractPhilly.

2. Proposal Selection and Contract Negotiation
   The City reserves and may, in its sole discretion, exercise any one or more of the following rights and options with respect to proposal selection:
(a) to reject any proposal if the City, in its sole discretion, determines the proposal is incomplete, deviates from or is not responsive to the requirements of this notice of contract opportunity, does not comply with applicable law (including, without limitation, Chapter 17-1400 of the Philadelphia Code), is conditioned in any way, or contains ambiguities, alterations or items of work not called for by this notice of contract opportunity, or if the City determines it is otherwise in the best interest of the City to reject the proposal;

(b) to reject any proposal if, in the City’s sole judgment, the Applicant has been delinquent or unfaithful in the performance of any contract with the City or with others; is delinquent, and has not made arrangements satisfactory to the City, with respect to the payment of City taxes or taxes collected by the City on behalf of the School District of Philadelphia, or other indebtedness owed to the City; is not in compliance with City regulatory codes applicable to Applicant; is financially or technically incapable; or is otherwise not a responsible Applicant;

(c) to waive any defect or deficiency in any proposal, including, without limitation, those identified in subsections (a) and (b) preceding, if, in the City’s sole judgment, the defect or deficiency is not material to the proposal;

(d) to require, permit or reject, in the City’s sole discretion, amendments (including, without limitation, information omitted), modifications, clarifying information, and/or corrections to their proposals by some or all of the Applicants at any time following proposal submission and before the execution of a final contract;

(e) to issue a notice of intent to contract and/or execute a contract for any or all of the items in any proposal, in whole or in part, as the City, in its sole discretion, determines to be in the City’s best interest;

(f) to enter into negotiations with any one or more Applicants regarding price, scope of services, or any other term of their proposals, and such other contractual terms as the City may require, at any time prior to execution of a final contract, whether or not a notice of intent to contract has been issued to any Applicant and without reissuing this notice of contract opportunity;

(g) to enter into simultaneous, competitive negotiations with multiple Applicants or to negotiate with individual Applicants, either together or in sequence, and to permit or require, as a result of negotiations, the expansion or reduction of the scope of services or changes in any other terms of the submitted proposals, without informing other Applicants of the changes or affording them the opportunity to revise their proposals in light thereof, unless the City, in its sole discretion, determines that doing so is in the City’s best interest;

(h) to discontinue negotiations with any Applicant at any time prior to the execution of a final contract, whether or not a notice of intent to contract has been issued to the Applicant, and to enter into negotiations with any other Applicant, if the City, in its sole discretion, determines it is in the best interest of the City to do so;

(i) to rescind, at any time prior to the execution of a final contract, any notice of intent to contract issued to an Applicant, and to issue or not issue a notice of intent to contract to the same or a different Applicant and enter into negotiations with that Applicant, if the City, in its sole discretion, determines it is in the best interest of the City to do so;

(j) to elect not to enter into any contract with any Applicant, whether or not a notice of Intent to Contract has been issued and with or without the reissuing this notice of contract opportunity, if the City determines that it is in the City's best interest to do so;

(k) to require any one or more Applicants to make one or more presentations to the City at the City’s offices or other location as determined by the City, at the Applicant’s sole cost
and expense, addressing the Applicant’s proposal and its ability to achieve the objectives of this notice of contract opportunity;

(l) to conduct on-site investigations of the facilities of any one or more Applicants (or the facilities where the Applicant performs its services);

(m) to inspect and otherwise investigate projects performed by the Applicant, whether or not referenced in the proposal, with or without consent of or notice to the Applicant;

(n) to conduct such investigations with respect to the financial, technical, and other qualifications of each Applicant as the City, in its sole discretion, deems necessary or appropriate; and,

(o) to do any of the foregoing without notice to Applicants or others, except such notice as the City, in its sole discretion, elects to post on eContractPhilly.

3. Miscellaneous

(a) Interpretation; Order of Precedence. In the event of conflict, inconsistency or variance between the terms of this Reservation of Rights and any term, condition or provision contained in any notice of contract opportunity, the terms of this Reservation of Rights shall govern.

(b) Headings. The headings used in this Reservation of Rights do not in any way define, limit, describe or amplify the provisions of this Reservation of Rights or the scope or intent of the provisions, and are not part of this Reservation of Rights.

F. Confidentiality and Public Disclosure

The successful Applicant shall treat all information obtained from the City which is not generally available to the public as confidential and/or proprietary to the City. The successful Applicant shall exercise all reasonable precautions to prevent any information derived from such sources from being disclosed to any other person. The successful Applicant agrees to indemnify and hold harmless the City, its officials and employees, from and against all liability, demands, claims, suits, losses, damages, causes of action, fines and judgments (including attorney’s fees) resulting from any use or disclosure of such confidential and/or proprietary information by the successful Applicant or any person acquiring such information, directly or indirectly, from the successful Applicant.

By submission of a proposal, Applicants acknowledge and agree that the City, as a municipal corporation, is subject to state and local public disclosure laws and, as such, is legally obligated to disclose to the public documents, including proposals, to the extent required thereunder. Without limiting the foregoing sentence, the City's legal obligations shall not be limited or expanded in any way by an Applicant's assertion of confidentiality and/or proprietary data.

ARTICLE III: PROVIDER'S DUTIES AND COVENANTS

3.1 Performance Requirements. Provider shall provide all Services and Materials in accordance with this Contract and applicable professional standards. All payments to Provider are contingent upon satisfactory performance of the terms and conditions set forth in this Contract, as determined by the Responsible Official in his or her sole discretion.

3.2 Compliance with Applicable Law. Provider shall comply with the requirements of all Applicable Law with respect to Provider’s activities, Services, Materials and facilities used in connection with any aspect of this Contract. Provider shall inform the Responsible Official, in writing, of any notices of violations of any Applicable Law within forty-eight (48) hours of Provider’s receipt thereof, and shall correct any violations within the time prescribed by law, or immediately in the case of any emergency.

3.3 Additional Services and Materials; Change in Scope of Services. At any time during the term of this Contract, the City may, by written change order or request delivered by notice to Provider, make changes to the Scope of Services under this Contract, and the Parties will, if appropriate, negotiate an adjustment in compensation, subject to appropriation of funds therefor by City Council, if necessary. Provider shall not commence to perform or provide, and the City shall not pay for, any services or materials not included in this Contract (the "Additional Services and Materials") unless and until Provider receives written pre-authorization (by change order or other request) from the Responsible Official that specifies the Additional Services and Materials to be provided. In no event shall the rates charged by Provider for said Additional Services and Materials exceed the lowest of (a) Provider's then current standard rates for such Services or Materials, (b) such rates as the City and Provider may have negotiated for this Contract, as set forth in the Provider Agreement, or (c) the lowest rate or rates that Provider may then be charging to other purchasers of like Services and Materials. If Provider requests changes to the Scope of Services, Provider must demonstrate to the satisfaction of the City, in its sole discretion, that the changes are necessary and not due to the acts or omissions of Provider. The
City shall pay Provider additional compensation above the limit set forth in the Provider Agreement only if and when an Amendment to this Contract is duly executed by the Parties. The City shall have no responsibility or liability whatsoever for any fee, or for costs incurred by Provider for any services, materials or other costs or expenses, other than the Services and Materials and any duly approved Additional Services and Materials.

3.4 Responsibility.

Provider shall, without additional compensation, correct any errors, defects, deficiencies or omissions in Provider’s Materials and Services.

(b) The City’s review, approval or acceptance of, or payment for, any of the Materials and Services required under this Contract shall not constitute any representation, warranty or guaranty by the City as to the substance or quality of the matter reviewed, approved or accepted and shall not be construed to operate as a waiver or estoppel of any of the City’s rights or privileges under this Contract or of any cause of action arising out of the performance of this Contract. No Person shall have any right to rely in any way on the City’s review, approval or acceptance of Provider’s Services or Materials. Provider shall be and remain liable in accordance with this Contract and Applicable Law for all damages to the City caused by Provider or the Services or Materials provided by Provider. Review, approval or acceptance by the City or the Responsible Official under this Contract shall not constitute approval otherwise required by any City department, board, commission, or other regulatory agency in the exercise of such department’s, board’s, commission’s or agency’s independent regulatory authority or police powers under Applicable Law.

(c) Without limiting Provider’s responsibility as set forth above, if any act or omission of Provider or error or deficiency or omission in the Services or Materials provided by Provider requires any change in the Scope of Services or any portion thereof, Provider shall promptly complete such change at no additional cost to the City.

3.5 Subcontracts.

(a) Provider shall not delegate or enter into any Subcontract for the performance of any of its obligations under this Contract, in whole or in part, without on each occasion first obtaining the written consent of the Responsible Official.

1. work performed by Subcontractor shall be in conformity with the terms of this Contract;
(2) nothing contained in such Subcontract shall be construed to impair the rights of the City under this Contract;

(3) the City’s consent to or approval of any Subcontract shall not create any obligation of the City to any Subcontractor;

(4) nothing contained in such Subcontract, or under this Contract, shall create any obligation of the City to any Subcontractor;

(5) the City shall be expressly designated a third party beneficiary of the Subcontract;

(6) upon request by the City (at the City’s sole option) and upon receipt of written notice from the City stating that this Contract between the City and Provider has been terminated, Subcontractor agrees that it will continue to perform its obligations under the Subcontract for the benefit of the City in conformity with the terms and conditions of this Contract, provided the City pays Subcontractor for the Services rendered and Materials provided by Subcontractor from and after the date of the termination of this Contract between the City and Provider at the same rate or in the same amount as set forth in the Subcontract for those Services and Materials provided by Subcontractor after such date of termination;

(7) Subcontractor shall be bound by the same terms, covenants and conditions as Provider under this Contract; including, without limitation, confidentiality, maintenance and preservation of records, and audit by government representatives, under this Contract;

(8) Subcontractor shall, effective on the date of the Subcontract, presently, fully and unconditionally assign, transfer and set over to the City all of Subcontractor’s right, title and interest in and to any sales and use tax which may be refunded as a result of a claim for refund for any materials purchased in connection with the Subcontract or this Contract, and Subcontractor shall covenant and agree that, (i) other than as directed by the City, it will not file a claim for refund for any sales or use tax which is the subject of this assignment; and (ii) the City, in its own name or in the name of Subcontractor, may file a claim for a refund of any sales or use tax covered by this assignment;

(9) Subcontractor shall not be indebted to the City (to satisfy this requirement, Provider shall include Subsection 4.1(g), “No Indebtedness to the City,” below, with appropriate adjustments for the identity of the parties, in all Subcontracts that are entered into for work to be performed pursuant to this Contract);

(10) Subcontractor shall comply with Chapter 17-400 of the Code (to satisfy this requirement, Provider shall include Subsection 14.2 (a), Chapter 17-400 of the Code, below, with appropriate adjustments for the identity of the parties, in all Subcontracts that are entered into for work to be performed pursuant to this Contract); and
(11) Subcontractor shall comply with Section 17-104 of the Code (to satisfy this requirement, Provider shall include subsection 14.6 (b) (Section 17-104 of the Code) below, with appropriate adjustments for the identity of the parties, in all Subcontracts that are entered into for work to be performed pursuant to this Contract).

(12) Subcontractor shall comply with Chapter 17-1300 of the Code to the extent it is applicable to a Subcontractor that is also a Service Contractor (as defined in Chapter 17-1300) providing Services under the Subcontract, and to subcontractors at any tier that are also Service Contractors providing Services under this Contract. To satisfy these requirements, Provider shall notify its Subcontractors of these provisions; shall incorporate this paragraph and Section 14.10 below, with appropriate adjustments for the identity of the parties, in each Subcontract; and shall require its Subcontractors to include such terms in any lower-tier subcontract that is, or may become, covered by Chapter 17-1300.

(c) No permitted Subcontract shall relieve Provider of any obligation under this Contract. Provider shall be as fully responsible for the acts and omissions of its Subcontractors and Persons either directly or indirectly employed or retained by them as it is for the acts and omissions of Provider and Persons directly or indirectly employed or retained by Provider.

(d) Any purported Subcontract made in violation of this Section or of any other Section in this Contract shall be null and void.

(e) City-Related Agencies.

(1) If Provider is a City-Related Agency, as defined in Subsection 17-1401(9) of the Code, Provider shall abide by the provisions of Chapter 17-1400 of the Code in awarding any contract(s) pursuant to this Contract as though such contracts were directly subject to the provisions of Chapter 17-1400, except that the exception set forth at Subsection 17-1406(8) shall apply to Provider as if Provider were listed in that subsection.

(2) Unless approved by the City to the contrary, any approvals required by Chapter 17-1400 of the Code to be performed by the City Solicitor shall be performed by Provider by its General Counsel; any approvals required to be performed by the Director of Finance shall be performed by Provider by its Chief Financial Officer; and any approvals required to be performed by the Mayor shall be performed by Provider by its Executive Director.

3.6 Relationship with the City. Neither Provider’s personnel nor any Subcontractor personnel shall be employees of the City. Provider shall notify the City of any Provider personnel or any Subcontractor personnel who have any employment or other contractual relationship or agency relationship with the City.

3.7 Time Frame for Submissions. Provider shall perform any and all Services and shall submit any and all Materials required by this Contract within the time frames set forth in the Scope of Services attached as an exhibit to the Provider Agreement or as mutually agreed upon in writing by the City and Provider. Absent any such written time frames, Provider shall perform its
obligations under this Contract diligently and promptly and in any and all event before the scheduled expiration of the Term.

3.8 **Prompt Payment by Provider.** Provider agrees to pay promptly all Persons which have furnished labor or supplies in connection with the Services, the Materials or this Contract, including, without limitation, Subcontractors and suppliers. Provider shall provide, upon request of the City, reasonable evidence that these Persons have been fully and timely paid.

3.9 **Sales and Use Tax.** The City is not subject to federal, state or local sales or use taxes or federal excise tax. Provider hereby assigns to the City all of its right, title and interest in any sales or use tax which may be refunded as a result of any materials, including any Materials, purchased or services, including any Services, rendered in connection with this Contract and unless directed otherwise by the City, Provider shall not file a claim for any sales or use tax refund subject to this assignment. Provider authorizes the City, in its own name or the name of Provider, to file a claim for a refund of any sales or use tax subject to this assignment.

**ARTICLE IV: PROVIDER’S REPRESENTATIONS AND COVENANTS**

4.1 **Provider’s Representations and Covenants.** Provider makes the following representations, warranties and covenants upon which the City has relied as a material consideration for the execution and delivery by the City of this Contract. The representations, warranties, and covenants stated below shall continue throughout the Term of this Contract. In the event said representations, warranties, and covenants are or become untrue or inaccurate, Provider shall promptly give notice thereof to the City, specifying the manner in which said representation, warranty, or covenant is untrue or inaccurate.

(a) **Good Standing.** If Provider is not an individual, Provider is a business corporation, limited liability company, partnership, limited partnership or other business entity duly organized, validly existing and in good standing under the laws of the state of its incorporation or organization. Provider is duly licensed, qualified and in good standing in the Commonwealth of Pennsylvania and in all jurisdictions in which it conducts business activities relating in any way to the performance of the Services and delivery of the Materials under this Contract, including, but not limited to, the jurisdiction in which Provider is organized. If Provider is a not-for-profit corporation or otherwise an entity determined to be tax exempt pursuant to Section 501(c) of the Internal Revenue Code by the Internal Revenue Service, then Provider has procured, and shall maintain in full force and effect, all consents and approvals necessary in connection with such tax-exempt and non-profit status.

(b) **Authority to Act.** Provider has full legal power and authority to execute and deliver this Contract, and provide the Services and Materials as set forth herein. Provider has duly authorized by all necessary actions the execution and delivery of this Contract on behalf of Provider by the individual or individuals signing the Provider Agreement. This Contract is the legal, valid and binding obligation of Provider, enforceable against Provider in accordance with the terms set forth herein. The execution and delivery of this Contract by Provider will not result
in a default under or a breach or violation of (1) Provider’s certificate or articles of incorporation or bylaws, partnership agreement, limited liability company operating agreement or other pertinent organizational documents, as applicable; (2) any Applicable Law or any judgment, decree order, license, permit or other instrument or obligation to which Provider is now a party or by which Provider may be bound or affected; and (3) Provider’s tax exempt status, if applicable. No consent, approval or authorization is required of any regulatory authority or governmental agency, or of any shareholder, partner, member, manager or other party related to Provider.

(c) **Legal Obligation.** This Contract has been duly authorized, executed and delivered by Provider, by and through individuals duly authorized to execute this Contract on behalf of Provider, and constitutes the legal, valid and binding obligation of Provider, enforceable against Provider in accordance with its terms.

(d) **No Litigation Preventing Performance.** There is no litigation, claim, consent order, settlement agreement, arbitration, agency proceeding, investigation, challenge or other proceeding pending or threatened against Provider, its properties or business or any individuals acting on Provider’s behalf, including, without limitation, Subcontractors, in which any Person seeks to enjoin or prohibit Provider from entering into or performing its obligations under this Contract.

(e) **Requisite Licensure and Qualifications.** Provider and all of the Persons acting on Provider’s behalf, including, without limitation, Subcontractors, in connection with the Services and Materials under this Contract, possess and, at all times during the Term of this Contract, shall possess all licenses, certifications, qualifications or other credentials required in accordance with Applicable Law and the terms of this Contract, to perform the Services and provide the Materials. Provider shall provide the City with copies of all licenses, credentials and certifications required under this Section within five (5) days of request by the City.

(f) **No Adverse Interests.** Except as disclosed in writing and approved in advance by the Responsible Official, neither Provider nor any of its directors, officers, members, partners or employees, has any interest, or will acquire any interest, directly or indirectly, that would or may conflict in any manner or degree with the performance or rendering of the Services and Materials.

(g) **No Indebtedness to the City.** Provider and any and all entities controlling Provider, under common control with Provider or controlled by Provider are not currently indebted to the City, and will not at any time during the Term of this Contract (including any Additional Term(s)) be indebted to the City, for or on account of any delinquent taxes (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), water bills, sewer bills, liens, judgments, fees or other debts for which no written agreement or payment plan satisfactory to the City has been established. Provider shall remain current during the Term of this Contract under all such agreements and payment plans, and shall inform the Responsible Official in writing of Provider’s receipt of any notices of delinquent payments under any such agreement or payment plan within five (5) days after receipt. In addition to any other rights or remedies available to the City at law or in equity, Provider acknowledges that any
breach or failure to conform to this representation, warranty and covenant may, at the option of
the City, result in the withholding of payments otherwise due to Provider under this Contract or
any other agreement with the City under which the City may then owe payment of any kind, and,
if such breach or failure is not resolved to the City's satisfaction within a reasonable time frame
specified by the City in writing, may result in the offset of any such indebtedness against said
payments or the termination of this Contract for default (in which case Provider shall be liable
for all excess costs and other damages resulting from the termination), or both. In addition,
Provider understands that false certification, representation or warranty by it is subject to
prosecution under Title 18 Pa.C.S.A. § 4904.

(h) Commercial Activity License. If Provider is a "business" as defined in
Section 19-2601 of the Code, Provider has and shall maintain during the Term of this Contract, a
valid, current Commercial Activity License, issued by the City's Department of Licenses and
Inspections, to do business in the City.

(i) Subcontractor Licensure; No Indebtedness to the City. Each Subcontractor,
if any, holds and shall maintain during the term of the Subcontract, a valid, current Commercial
Activity License to do business in the City, if required by Applicable Law. To the best of
Provider's knowledge, information and belief, the representations made in any Subcontract that
Subcontractor is not indebted to the City are true and correct.

(j) Non-Suspension; Debarment. Provider and all of the individuals acting on
Provider's behalf including, without limitation, Subcontractors, are not under suspension or
debarment from doing business with the Commonwealth of Pennsylvania, any other state, or the
federal government, or any department, agency or political subdivision of any of the foregoing.
If Provider cannot so warrant, then Provider shall submit to the Responsible Official a full,
complete written explanation as to why Provider cannot so warrant. Provider shall reimburse the
City for the reasonable cost of investigation incurred by the City or the Commonwealth of
Pennsylvania Office of Inspector General for investigation of Provider's compliance with the
terms of this or any other contract between Provider and the City which results in the suspension
or debarment of Provider. Such costs shall include, but are not limited to, salaries of
investigators, including overtime, travel and lodging expenses, expert witness and documentary
fees and attorney fees and expenses. Provider shall not be responsible for costs of investigations
which do not result in Provider's suspension or debarment.

ARTICLE V: COMPENSATION

5.1 Certification of Available Funds. Provider acknowledges that payments under this
Contract shall not exceed the amount certified by or on behalf of the City's Director of Finance
as available for this Contract. A copy of the form signed by the Office of the Director of Finance
showing the amount of currently available funds will be attached to the fully executed Contract
returned to Provider. During the Initial Term and any Additional Term(s) of this Contract, the
City reserves the right to fund any remaining balance of this Contract amount in varying amounts
from time to time as funds become available, not to exceed in total the maximum amount stated
in this Contract. Provider agrees that the City shall not be obligated to fund this Contract except
out of funds certified by or on behalf of the City’s Director of Finance as currently available, even if those funds are less than the maximum amount stated in this Contract. If sufficient funds are not certified as available at any time, the City may exercise its options described in Section 5.2 (Unavailability of Funds) below.

5.2 Unavailability of Funds. If funding for this Contract from any source is not obtained and continued at an aggregate level sufficient to allow for payment for the Services performed and Materials delivered under this Contract, the City may exercise one of the following options without liability or penalty to the City:

(a) Terminate this Contract effective upon a date specified in a Termination Notice; or

(b) Continue this Contract by reducing, through written notice to Provider, the amount of this Contract and Services and Materials, consistent with the nature, amount and circumstances of available funding.

The City's exercise of either option under this Section shall not affect any obligations or liabilities of either Party accruing prior to such termination or reduction of Services or Materials. Provider shall be compensated in accordance with the terms of this Contract for Services and Materials satisfactorily performed and delivered prior to such termination or modification of this Contract under this Section.

5.3 Crossing Fiscal Years. If any portion of the compensation set forth in this Contract is to be paid in any City fiscal year following the fiscal year in which the Initial Term or any Additional Term of this Contract commences (in either case, “Appropriated Fiscal Year”), Provider understands and agrees that the portion of the compensation under this Contract payable with City funds for any period following the Appropriated Fiscal Year is subject to the discretion of City Council as to future appropriations. If, for any reason, funds for any such portion of the compensation are not appropriated by City Council in any Fiscal Year following the Appropriated Fiscal Year, this Contract and the City’s liability under this Contract shall automatically terminate at the end of the then current Appropriated Fiscal Year; provided, however, that Provider shall be compensated in accordance with the terms of this Contract for Services and Materials satisfactorily performed and delivered prior to the end of the then current Appropriated Fiscal Year.

5.4 Allowability of Cost Items. All payments by the City to Provider under this Contract shall be subject to the limitations on the allowability of cost items imposed by the Contract Cost Principles.

ARTICLE VI: AUDITS; INSPECTION RIGHTS; RECORDS

6.1 City Audit. From time to time during the Initial Term and any Additional Term(s) of this Contract, and for a period of five (5) years after the expiration or termination of this Contract, the City may audit any and all aspects of Provider’s performance under this Contract,
including but not limited to its billings and invoices. Audits may be conducted by
representatives, agents or contractors of the City, including the Department, or other authorized
City representatives including, without limitation, the City Controller. If requested by the City,
Provider shall submit to the City all vouchers or invoices presented for payment pursuant to this
Contract, all cancelled checks, work papers, books, records and accounts upon which the
vouchers or invoices are based, and any and all documentation and justification in support of
expenditures or fees incurred pursuant to this Contract. All books, invoices, vouchers, records,
reports, cancelled checks and other materials shall be subject to periodic review or audit by the
City.

6.2 Inspection. All Services and Materials shall be subject to inspection and review by
City, federal and state representatives, as may be applicable, or their designees, at the offices of
Provider in the City, or in another location with the City’s consent. Provider shall cooperate with
all City, state and federal inspections and reviews conducted in accordance with the provisions of
this Contract. Such inspection and review of Provider’s Services and Materials, including,
without limitation, programs and facilities, shall be in the sole discretion of the inspecting or
reviewing entity. Such inspection or review may include, without limitation, meetings with
consumers, review of staffing ratios and job descriptions, and meetings with any of Provider’s
staff members who are either directly or indirectly involved in providing Services or Materials.

6.3 Availability of Records. Provider shall make available, in the City at reasonable
times during the Term of this Contract and for the period set forth in Section 6.4 (Retention of
Records) below, all records pertaining to this Contract for the purpose of inspection, audit or
reproduction by any authorized representative (including any agent or contractor and the City
Controller) of the City, the Commonwealth of Pennsylvania Auditor General, and any other
federal and state auditors, as may be applicable.

6.4 Retention of Records. Provider shall retain all records, books of account and
documentation pertaining to this Contract for a period of five (5) years following expiration or
termination of this Contract; however, if any litigation, claim or audit is commenced prior to
expiration of said five (5) year period, then the records shall be retained until all litigation, claims
or audit findings have been completely terminated or resolved, without right of further appeal, or
if Applicable Law requires a longer period, then the records shall be retained for such longer
period.

6.5 Audits Pursuant to Section 6-400 of the Home Rule Charter. Any Provider that is
an Agency, as defined in Section 6-400 of the Charter, shall permit the City Controller to audit its
affairs as authorized in Section 6-400 during the Initial Term or any Additional Term. Under
Section 6-400, an Agency is any entity that a) receives funds from the City, and either b) is
created by, or whose board of directors is in whole or part appointed by, one or more City
officials or bodies; or c) is organized pursuant to legal authority granted to it by City ordinance.
ARTICLE VII: ASSIGNMENT

7.1 Assignment By Provider. Provider shall not assign this Contract, or any part of this Contract, or delegate performance of this Contract (other than to its own work forces), without obtaining the prior written consent of the Responsible Official. The decision whether to consent to an assignment, the timing of consent (if any), and conditions to such consent, if any, shall each be at the City's sole discretion. Any consent to the assignment of any monies to be paid under this Contract shall not relieve Provider from the faithful performance of any of its obligations under this Contract or change any of the terms and conditions of this Contract. Any purported assignment in violation of this provision shall be void and of no effect. The City’s consent to an assignment shall not release the assignor from any liability accrued or thereafter accruing under this Contract. Any assignment or purported assignment shall be in writing and shall contain an express assumption by the assignee of all liability accrued or thereafter accruing under this Contract. Consent by the City to any assignment shall not be deemed a course of conduct, dealing or performance with respect to any other assignment or proposed assignment. For purposes of this Section 7.1 (Assignment by Provider), an assignment includes the acquisition of Provider, or a controlling interest therein, through a corporate or other merger, and the appointment of a receiver or bankruptcy trustee, and the transfer of this Contract or Provider in any bankruptcy or other insolvency proceeding.

7.2 Applicability in Case of Bankruptcy or Insolvency. A receiver or trustee of or for Provider in any federal or state bankruptcy, insolvency or other proceedings concerning Provider shall comply with the requirements set forth in Section 7.1 (Assignment by Provider) above.

7.3 Personal Services. Provider acknowledges that the Services and Materials are the personal services of Provider and the City shall have no obligation to accept performance by a third party without the Responsible Official’s prior and express written consent.

ARTICLE VIII: INDEPENDENT CONTRACTOR; INDEMNIFICATION; LITIGATION COOPERATION

8.1 Independent Contractor. Provider is an independent contractor and shall not in any way or for any purpose be deemed or intended to be an employee or agent of the City. Neither Provider nor its agents, employees or Subcontractors shall in any way represent that they are acting as employees, officials or agents of the City.

8.2 Indemnification. Provider shall indemnify, defend and hold harmless the City, its officers, employees and agents, from and against any and all losses, costs (including, but not limited to, litigation and settlement costs and counsel fees and expenses), claims, suits, actions, damages, liability and expenses, occasioned wholly or in part by Provider’s act or omission or negligence or fault or the act or omission of negligence or fault of Provider’s agents, Subcontractors, independent contractors, suppliers, employees or servants in connection with this Contract, including, but not limited to, those in connection with loss of life, bodily injury, personal injury, damage to property, contamination or adverse effects on the environment, intentional acts, failure to pay any Subcontractors and suppliers, any breach of this Contract, and
any infringement or violation of any proprietary right (including, but not limited to, patent, copyright, trademark, service mark and trade secret).

8.3 Litigation Cooperation. If, at any time, the City becomes involved in a dispute or receives notice of a claim or is involved in litigation concerning the Services and Materials provided under this Contract, the resolution of which requires the services or cooperation of Provider, and Provider is not otherwise obligated to indemnify and defend the City pursuant to the provisions of Section 8.2 (Indemnification) above, Provider agrees to provide such services and to cooperate with the City in resolving such claim or litigation as Additional Services and Materials under Section 3.3 (Additional Services and Materials; Change in Scope of Services) above.

8.4 Notice of Claims. If Provider receives notice of a legal claim against it in connection with this Contract, Provider shall submit appropriate written notice of such claim to its insurance carrier within the time frame required for submission of claims by the applicable insurance policy and, within ten (10) business days of receipt of notice of the claim, to the Responsible Official.

ARTICLE IX: INSURANCE

9.1 Insurance. Unless otherwise approved by the City’s Risk Management Division in writing, Provider shall, at its sole cost and expense, procure and maintain, or cause to be procured and maintained, in full force and effect, the types and minimum limits of insurance specified below, covering Provider’s performance of the Services and the delivery of the Materials. Provider shall procure, or cause to be procured, all insurance from reputable insurers admitted to do business on a direct basis in the Commonwealth of Pennsylvania or otherwise acceptable to the City. All insurance herein, except Professional Liability insurance, shall be written on an “occurrence” basis and not a “claims-made” basis. In no event shall Provider perform any Services or other work until Provider has delivered or caused to be delivered to the City’s Risk Management Division the required evidence of insurance coverages. All insurance coverages shall provide for at least thirty (30) days prior written notice to be given to the City in the event coverage is materially changed, cancelled, or non-renewed. The City, its officers, employees, and agents, shall be named as additional insureds on the General Liability Insurance policy. Provider shall also deliver or cause to be delivered to the City an endorsement stating that the coverage afforded the City and its officers, employees and agents, as additional insureds, will be primary to any other coverage available to them and that no act or omission of the City, its officers, employees or agents shall invalidate the coverage.

(a) Workers’ Compensation and Employers’ Liability.

(1) Workers’ Compensation: Statutory Limits

(2) Employers’ Liability: $100,000 Each Accident - Bodily Injury by Accident; $100,000 Each Employee - Bodily Injury by Disease; and $500,000 Policy Limit - Bodily Injury by Disease.
(3) Other states insurance including Pennsylvania.

(b) **General Liability Insurance.**

(1) Limit of Liability: $1,000,000 per occurrence combined single limit for bodily injury (including death) and property damage liability; $1,000,000 advertising injury; $2,000,000 general aggregate and $1,000,000 aggregate for products and completed operations. The City may require higher limits of liability if, in the City’s sole discretion, the potential risk warrants.

(2) Coverage: Premises operations; blanket contractual liability; personal injury liability; products and completed operations; independent contractors, employees and volunteers as additional insureds; cross liability; and broad form property damage (including completed operations).

(c) **Automobile Liability Insurance.**

(1) Limit of Liability: $1,000,000 per occurrence combined single limit for bodily injury (including death) and property damage liability.

(2) Coverage: Owned, non-owned, and hired vehicles.

(d) **Professional Liability Insurance.**

(1) Limit of Liability: $1,000,000 with a deductible not to exceed $50,000.

(2) Coverage: Errors and omissions including liability assumed under Contract.

(3) Professional Liability Insurance may be written on a claims-made basis provided that coverage for occurrences happening during the performance of the Services required under this Contract shall be maintained in full force and effect under the policy or “tail” coverage for a period of at least two (2) years after completion of the Services.

9.2 **Self-Insurance.** Provider may not self-insure any of the coverages required under this Contract without the prior written approval of the Responsible Official and the City’s Risk Manager. In the event that Provider wants to self-insure any of the coverages listed above, it shall submit to the Responsible Official and the City’s Risk Management Division, prior to Provider’s commencement of Services or delivery of any Materials hereunder, a certified copy of Provider’s most recent audited financial statement, and such other evidence of its qualifications to act as self-insurer (e.g. state approval) as may be requested by the Responsible Official or the City’s Risk Manager. In the event the City grants such approval, Provider understands and agrees that the City, its officers, employees and agents shall be entitled to receive the same coverages and benefits under Provider’s self-insurance program that they would have received had the insurance requirements set forth above been satisfied by a reputable insurer admitted and duly authorized to do business in the Commonwealth of Pennsylvania or otherwise acceptable to
the City. If at the time of commencement of the Term of this Contract, Provider self-insures its professional liability or workers' compensation and employers' liability coverage, Provider may, in lieu of the foregoing, furnish to the City a current copy of the state certification form for self-insurance or a current copy of the State Insurance Commissioner's letter of approval, whichever is appropriate. The insurance (including self-insurance) requirements set forth herein are not intended and shall not be construed to modify, limit or reduce the indemnifications made in this Contract by Provider to the City, or to limit Provider's liability under this Contract to the limits of the policies of insurance (or self-insurance) required to be maintained by Provider hereunder.

9.3 **Evidence of Insurance Coverage.** Certificates of insurance evidencing the required coverages must specifically reference the City contract number for which they are being submitted. The original certificates of insurance must be submitted to the City's Risk Manager at the following address:

The City of Philadelphia  
Office of the Director of Finance  
Division of Risk Management  
1515 Arch Street, 14th Floor  
Philadelphia, PA 19102-1579  
(Fax No.: 215-683-1705).

A copy of the certificates of insurance shall be submitted to the Responsible Official at the address of the Department set forth in the Notice Section of the Provider Agreement. Both submissions must be made at least ten (10) days before work is begun and at least ten (10) days before each Additional Term. The City, in its sole discretion, may waive the ten (10) day requirement for advance documentation of coverage in situations where such waiver will benefit the City, but under no circumstances shall Provider actually begin work (or continue work, in the case of an Additional Term) without providing the required evidence of insurance. The actual endorsement adding the City as an additional insured must specifically reference the City contract number and be submitted to the City's Risk Management Division at the above address. The City reserves the right to require Provider to furnish certified copies of the original policies of all insurance required under this Contract at any time upon ten (10) days written notice to Provider.

9.4 **Fidelity Bond.** When required by the City, Provider shall, at its sole cost and expense, obtain and maintain during the Initial Term and any Additional Term(s) of this Contract, a fidelity bond in an amount equal to the greater of (a) Ten Thousand Dollars ($10,000) or (b) the amount specified in the Provider Agreement, covering Provider's employees who have financial responsibilities related to the receipt and disbursement of funds under this Contract. In lieu of a fidelity bond, Provider may obtain coverage for crime insurance with limits that are the greater of (a) $10,000 or (b) the amount specified in the Provider Agreement. The fidelity bond or crime insurance, whichever is obtained by Provider, shall name the City as a beneficiary. Evidence of the existence of the fidelity bond or crime insurance shall be submitted to the City prior to the commencement of Services in conformity with the requirements of Section 9.3 (Evidence of Insurance Coverage) above.
ARTICLE X: OWNERSHIP OF MATERIALS; PROPRIETARY INFORMATION; CONFIDENTIALITY

10.1 Ownership of Materials.

(a) Subject to Applicable Law, all Materials shall be the sole and absolute property of the City and the City shall have title thereto and unrestricted use thereof. To the extent that any Materials relating to this Contract developed by or for Provider embody a copyrightable work, including, but not limited to, a “compilation” as that term is used in 17 U.S.C. §101, as amended from time to time, the City and Provider agree that such copyrightable work(s) shall be considered as one or more “works made for hire” by Provider for the City, as that term is used in 17 U.S.C. §§101 and 201(b), as amended from time to time. To the extent that any Materials relating to this Contract developed by or for Provider embody one or more copyrightable works but are neither a “compilation” nor any other form of “work made for hire,” Provider hereby assigns, and agrees to execute instruments evidencing such assignment, all copyrights in all of such works to the City. Provider shall cause all Materials developed or produced by Provider and any Subcontractor in connection with this Contract which embody a copyrightable work to bear the following designation: “© The City of Philadelphia” [complete then current year in blank line].

(b) Provider shall make available to the City, upon the City’s request, a copy of any Materials prepared by or for Provider in performance of this Contract, at no cost to the City.

(c) All computer programs, tapes and software developed under this Contract shall be compatible with specifications set by the Department.

(d) Provider hereby grants, and shall require its Subcontractors to grant, to the City a royalty-free, nonexclusive and irrevocable right to publish, translate, reproduce, deliver, perform and authorize others to do so, all studies, media, curricula, reports and other Materials not owned by the City under this Contract but which relate to the performance of the Services, Materials or this Contract; provided, however, that Provider shall not be required to grant such right to the City with respect to any Materials for which Provider would be liable to pay compensation to third parties because of such grant.

10.2 Non-Disclosure. During the Initial Term and any Additional Term(s) of this Contract and thereafter, except with the prior written consent of the Responsible Official, Provider will not:

(a) Issue, publish or divulge any Services or Materials developed or used in the performance of this Contract in any public statement, thesis, writing, lecture or other verbal or written communication; or

(b) Disclose, or use to its advantage or gain, confidential information of any nature acquired from the City or acquired as a result of Provider’s activities in connection with this Contract.
ARTICLE XI: EVENTS OF DEFAULT

11.1 Events of Default. Each of the following shall be an Event of Default by Provider under this Contract:

(a) Failure by Provider to comply with any provision of this Contract;

(b) Occurrence of an Event of Insolvency with respect to Provider;

(c) Falseness or inaccuracy of any warranty or representation of Provider contained in this Contract or in any other document submitted to the City by Provider;

(d) Any act, omission, or misrepresentation which renders the Provider ineligible for a City contract or renders the contract voidable under Chapter 17-1400 of the Code;

(e) Misappropriation by Provider of any funds provided under this Contract or failure by Provider to notify the City upon discovery of any misappropriation;

(f) A violation of law which results in a guilty plea, a plea of no contest or plea of nolo contendere, or conviction of a criminal offense by Provider, its directors, employees, or agents (1) directly or indirectly relating to this Contract or the Services or Materials provided under this Contract, whether or not such offense is ultimately adjudged to have occurred; or (2) which adversely affects the performance of this Contract;

(g) Indictment of or other issuance of formal criminal charges against Provider, its directors, employees or agents for any criminal offense or any other violation of Applicable Law directly relating to this Contract or Services or Materials, or which adversely affects Provider's performance of this Contract in accordance with its terms, whether or not such offense or violation is ultimately adjudged to have occurred; and/or

(h) Debarment or suspension of Provider or any agent, employee or Subcontractor of Provider under a federal, state or local law, rule or regulation.

11.2 Notice and Cure. The City agrees that the City will not exercise any right or remedy provided for in Section 12.1 (The City's Remedies) below because of any Event of Default unless the City shall have first given written notice of the Event of Default to Provider, and Provider, within a period of ten (10) days thereafter, or such additional cure period as the City may authorize, shall have failed to correct the Event of Default; provided, however, that no such notice from the City shall be required nor shall the City permit any period for cure if:

(a) Provider has temporarily or permanently ceased providing Services and Materials;

(b) The Event of Default creates an emergency which requires, as determined by the City in the City's sole discretion, immediate exercise of the City's rights or remedies;
(c) The City has previously notified Provider in the preceding twelve (12) month period of any Event of Default under this Contract;

(d) An Event of Default occurs as described in 11.1(e) above or 11.1(f) above; or

(e) Provider has failed to obtain or maintain the insurance or any bond required under this Contract.

Nothing contained in this Section shall limit the City's rights under Article XII (Remedies) below.

ARTICLE XII: REMEDIES

12.1 The City's Remedies.

(a) In the event Provider has committed or permitted an Event of Default and has been notified thereof in accordance with Section 11.2 (Notice and Cure) above, then the City may, but shall not be obligated to, without further notice to or demand on Provider and without waiving or releasing Provider from any of its obligations under this Contract:

1. perform (or cause a third party to perform) this Contract, in whole or in part, including, without limitation, obtaining or paying for any required insurance or performing other acts capable of performance by the City. Provider shall be liable to the City for all sums paid by the City and all expenses incurred by the City (or a third party) pursuant to this Section 12.1(a)(1), together with interest at the highest legal rate permitted in the Commonwealth of Pennsylvania thereon from the date the City or its agent incurs such costs. The City shall not in any event be liable for inconvenience, expense or other damage incurred by Provider by reason of the City's performance or paying such costs or expenses, and the obligations of Provider under this Contract shall not be altered or affected in any manner by the City's exercise of its rights under this Section 12.1; (The City's Remedies).

2. withhold payment of, or offset against, any funds payable to or for the benefit of Provider;

3. collect, foreclose or realize upon any bond, collateral, security or insurance provided by or on behalf of Provider; or

4. exercise any other right the City has or may have at law, in equity, or under this Contract.

(b) In the event Provider has committed or permitted an Event of Default and has been notified thereof in accordance with Section 11.2 (Notice and Cure) above, then the City may, but shall not be obligated to, without waiving or releasing Provider from any of its obligations under this Contract, terminate or suspend this Contract in whole or in part, as set forth more fully in Article XIII (Termination and Suspension) below. In the event of partial
termination or suspension, Provider shall continue the performance of this Contract to the extent not terminated or suspended. If this Contract is terminated, the City shall issue a written Termination Notice which shall set forth the effective date of the termination.

(c) The Services and Materials purchased from Provider are unique and not otherwise readily available. Accordingly, Provider acknowledges that, in addition to all other remedies to which the City is entitled, the City shall have the right, to the fullest extent permitted under Applicable Law, to enforce the terms of this Contract without limitation, by a decree of specific performance or by injunction restraining a violation, or attempted or threatened violation, of any provision of this Contract.

12.2 Concurrent Pursuit of Remedies; No Waiver. The City may exercise any or all of the remedies set forth in this Article XII (Remedies), each of which may be pursued separately or in conjunction with such other remedies as the City in its sole discretion shall determine. No extension or indulgence granted by the City to Provider shall operate as a waiver of any of the City’s rights in connection with this Contract. The rights and remedies of the City as described in this Article XII (Remedies) and as described elsewhere in this Contract shall not be exclusive and are in addition to any other rights or remedies available to the City under this Contract at law or in equity.

ARTICLE XIII: TERMINATION AND SUSPENSION

13.1 Termination or Suspension for Convenience. In addition to its rights under Articles V (Compensation) and XII (Remedies) above, the City shall have the right to terminate this Contract or suspend Provider’s performance under this Contract at any time during the Initial Term or any Additional Term(s) of this Contract, for any reason, including, without limitation, the convenience of the City. If this Contract is terminated solely for the City’s convenience, the City shall issue a written Termination Notice, which shall set forth the effective date of the termination. If this Contract is suspended solely for the City’s convenience, the City shall issue a written Suspension Notice, which shall set forth the effective date of the suspension.

13.2 Provider Responsibilities Upon Termination or Suspension.

(a) Upon the City’s transmission of a Termination Notice or a Suspension Notice under any provision of this Contract, Provider and its agents, employees and Subcontractors, shall

(1) take immediate action in an orderly manner to discontinue Services and Materials, and demobilize work forces to minimize the incurrence of costs; and

(2) upon request by the City by notice to Provider, collect, assemble and transmit to the City all Materials in such state of completion as may exist as of the effective date of the termination or suspension. All such Materials shall be clearly labeled and indexed to the satisfaction of the Responsible Official and delivered to the Responsible Official by Provider on or before the date set forth in the Termination Notice for delivery of the Materials or, if no such
date is set forth in the Termination Notice, then before the effective date of termination set forth in the Termination Notice. Provider waives and releases any and all right to any retaining or charging liens or similar right or remedy in favor of Provider.

(b) The City's termination or suspension of this Contract shall not affect any obligations or liabilities of either Party accruing prior to the effective date of such termination or suspension.

(c) There shall be no liability, cost or penalty to the City for termination or suspension of this Contract.

13.3 **Payment of Provider upon Termination or Suspension.**

(a) Upon termination or suspension of this Contract by the City for an Event of Default, Provider shall be entitled to payment of such an amount, to be determined by the City and subject to audit, as shall compensate it for the work satisfactorily performed prior to the termination date; provided, however, that:

(1) no allowance shall be included for termination expenses or for anticipated profits, unabsorbed or underabsorbed overhead, or unperformed Services; and

(2) the City shall deduct from any amount due and payable to Provider prior to the termination date, but withheld or not paid, the total amount of fees, costs or additional expenses incurred by the City in order to satisfactorily complete the Services and Materials required to be performed by Provider under this Contract, including the expense of engaging another provider for this purpose, and such other damages, costs, losses and expenses of the City as may be incurred or result from such termination for an Event of Default.

(b) In the event of termination or suspension of this Contract by the City for the City's convenience, Provider shall be paid such an amount as shall compensate Provider for the portion of the Services satisfactorily performed and Materials satisfactorily delivered prior to the date of termination. The City shall not pay Provider any amount for Provider's termination or suspension expenses or anticipated profits, unabsorbed or underabsorbed overhead or unperformed Services and Materials not satisfactorily delivered.

13.4 **Suspension.** Suspension of Provider's performance under this Contract after an Event of Default shall not constitute a waiver or release of any liability of Provider for such Event of Default or any of the City's damages or other remedies arising out of such Event of Default; nor shall such suspension be deemed an election of remedies in derogation of any other remedy. Provider acknowledges that the City shall have the right, at its sole discretion, to suspend Provider's performance in the event City Council does not appropriate funds for the performance of this Contract. In the event that the City issues a Suspension Notice to Provider, such suspension shall continue from the effective date specified in the Suspension Notice until a date specified in the Suspension Notice which shall be not more than one hundred and eighty (180) days after the effective date (the "Suspension Period"). On or prior to the expiration of the
Suspension Period, the City shall either terminate this Contract by giving a Termination Notice pursuant to Section 13.1 (Termination or Suspension for Convenience) above, or by notice to Provider, instruct Provider to resume the delivery of Services and Materials pursuant to this Contract upon the expiration of the Suspension Period. After issuing a Suspension Notice, the City shall pay any invoices submitted by Provider for Services rendered prior to the commencement of the Suspension Period or otherwise payable by the City to Provider under this Contract, subject to all of the City’s rights and remedies against Provider, including but not limited to its rights of set off and its right to review and accept Services and Materials prior to payment therefor.

ARTICLE XIV: ADDITIONAL REPRESENTATIONS AND COVENANTS OF PROVIDER RELATING TO CERTAIN APPLICABLE LAWS

In addition to the representations, warranties and covenants made by Provider in Article IV, Provider further represents, warrants and covenants that, to the extent of their applicability to Provider, Provider is in compliance with the laws, ordinances, regulations and executive orders described below. By executing this Contract, Provider thereby certifies to such compliance. Provider further certifies that the representations, warranties and covenants provided pursuant to this Article shall continue to remain true throughout the Term of this Contract or any other period of time required by such laws. In the event said representations, warranties and covenants are or become untrue or inaccurate, Provider shall promptly give notice thereof to the City, specifying the manner in which said representation, warranty or covenant is untrue or inaccurate. The provisions of this Article are not intended to limit the applicability of the other provisions of this Contract, including, without limitation, Provider’s agreement to comply with all Applicable Law.

14.1 Non-Discrimination; Fair Practices. This Contract is entered into under the terms of the Charter, the Fair Practices Ordinance (Chapter 9-1100 of the Code) and the Mayor’s Executive Order No. 04-86 (the “Executive Order”), as they may be amended from time to time, and in performing this Contract, Provider shall not discriminate or permit discrimination against any individual because of race, color, religion, ancestry or national origin, sex, gender identity, sexual orientation, age or disability. Nor shall Provider discriminate or permit discrimination against individuals in employment, housing and real property practices, and/or public accommodation practices whether by direct or indirect practice of exclusion, distinction, restriction, segregation, limitation, refusal, denial, differentiation or preference in the treatment of a person on the basis of actual or perceived race, ethnicity, color, sex, sexual orientation, gender identity, religion, national origin, ancestry, age, disability, marital status, source of income, familial status, genetic information or domestic or sexual violence victim status, Human Immunodeficiency Virus (HIV) infection, or engage in any other act or practice made unlawful under the Charter, Chapter 9-1100, the Executive Order, or under the nondiscrimination laws of the United States or the Commonwealth of Pennsylvania. In the event of any breach of this Section 14.1 (Non-Discrimination; Fair Practices), the City may, in addition to any other rights or remedies available under this Contract, at law or in equity, suspend or terminate this Contract forthwith.

(a) In accordance with Chapter 17-400 of the Code, Provider agrees that its payment or reimbursement of membership fees or other expenses associated with participation by its employees in an exclusionary private organization, insofar as such participation confers an employment advantage or constitutes or results in discrimination with regard to hiring, tenure of employment, promotions, terms, privileges or conditions of employment on the basis of race, color, sex, sexual orientation, religion, national origin or ancestry, constitutes, without limiting the applicability of Articles XI (Events of Default) and XII (Remedies) above, a substantial breach of this Contract entitling the City to all rights and remedies provided in this Contract or otherwise available at law or in equity.

(b) Provider agrees to cooperate with the Commission on Human Relations of the City in any manner which the Commission deems reasonable and necessary for the Commission to carry out its responsibilities under Chapter 17-400 of the Code. Provider’s failure to so cooperate shall constitute, without limiting the applicability of Articles XI (Events of Default) and XII (Remedies) above, a substantial breach of this Contract entitling the City to all rights and remedies provided in this Contract or otherwise available at law or in equity.

14.3 Executive Order 03-12: Minority, Woman and Disabled Business Enterprise Participation. In accordance with Executive Order 03-12 (the “Antidiscrimination Policy”), the City, acting through its Office of Economic Opportunity (“OEO”), has established an antidiscrimination policy that relates to the solicitation and participation of Minority Business Enterprises (“MBE”), Woman Business Enterprises (“WBE”), and Disabled Business Enterprises (“DSBE”) (collectively, “M/W/DSBE”) in City contracts. The purpose of this Antidiscrimination Policy is to ensure that all businesses desiring to do business with the City have an equal opportunity to compete by creating access to the City’s procurement process and meaningfully increasing opportunities for the participation by M/W/DSBEs in City contracts at all tiers of contracting, as prime contractors, subcontractors and joint venture partners. In furtherance of this policy, the City will, from time to time, establish participation ranges for City Contracts and City Related Special Projects. Provider agrees to comply with the requirements of the Antidiscrimination Policy by exercising its Best and Good Faith Efforts to include M/W/DSBEs in its contract, and where participation ranges are established by OEO, Provider agrees, without limitation, to submit documentation responsive to each of the participation ranges established for the Contract.

(a) General Requirements. In furtherance of the purposes of the Antidiscrimination Policy, Provider agrees to the following:

(1) Provider, if it has achieved participation commitments with M/W/DSBEs, represents that it has entered into legally binding agreement(s) (“M/W/DSBE Subcontract(s)”) with M/W/DSBEs as participants under this Contract for the services and in the dollar amount(s) and percentage(s) as specified in the M/W/DSBE Participation Exhibit to this Contract (the “Contract Commitment(s)”).
(2) Provider shall secure the prior written approval of the OEO before making any changes or modifications to any Contract Commitments made by Provider herein, including, without limitation, substitutions for its MBEs, WBEs and/or DSBEs, changes or reductions in the services provided by its M/W/DSBE participants, or changes or reductions in the dollar amounts and/or percentage value paid to its M/W/DSBE participants.

(3) Unless otherwise specified in a M/W/DSBE Subcontract between the Provider and its M/W/DSBE participant, as described in (a) (1) above, Provider shall, within five (5) business days after receipt of a payment from the City for services performed under the Contract, deliver to its M/W/DSBE participant its proportionate share of such payment for services performed by the M/W/DSBE participant. In connection with payment of its M/W/DSBE participants, Provider agrees to fully comply with the City’s payment reporting process which may include the use of electronic payment verification systems.

(4) Provider shall, in the event of an increase in units of work and/or compensation under the Contract, increase its Contract Commitment(s) with its M/W/DSBE participants proportionately, which increase shall be reflected in the M/W/DSBE Subcontract(s) described in (a) (1) above. OEO may from time to time request documentation from Provider evidencing compliance with this provision.

(5) Provider shall submit, within the time frames prescribed by the City, any and all documentation the City may request, including, but not limited to, copies of M/W/DSBE Subcontracts, participation summary reports, M/W/DSBE participant invoices, telephone logs and correspondence with M/W/DSBE participants, cancelled checks and certification of payments. Provider shall maintain all documentation related to this Section for a period of five (5) years from the date of Provider’s receipt of final payment under the Contract.

(6) Provider agrees that the City may, in its sole discretion, conduct periodic reviews to monitor Provider’s compliance with the terms of this Antidiscrimination Policy.

(7) Provider agrees that in the event the City determines that Provider has failed to comply with any of the requirements of this Antidiscrimination Policy, including substantial compliance with any Contract Commitment, the City may, in addition to any other rights and remedies it may have under the Contract which includes termination of the Contract, exercise one or more of the following remedies which shall be deemed cumulative and concurrent:

(.a) Debar Provider from proposing on and/or participating in any future contracts for a maximum period of three (3) years.

(.b) Withhold payment(s) or any part thereof until corrective action is taken. If corrective action is not taken to the satisfaction of OEO, the City may, without institution of a lawsuit, deduct money in an amount equal to the M/W/DSBE shortfall, which
amount shall be collected and considered not as a penalty, but as liquidated damages for the Provider’s failure to comply with the contract.

(8) No privity of contract exists between the City and any M/W/DSBE participant identified herein and the City does not intend to give or confer upon any such M/W/DSBE participant(s) any legal rights or remedies in connection with the subcontracted services pursuant to the Antidiscrimination Policy or by reason of this Contract except such rights or remedies that the M/W/DSBE participant may seek as a private cause of action under any legally binding contract to which it may be a party. The remedies enumerated above are for the sole benefit of the City and City’s failure to enforce any provision or the City’s indulgence of any non-compliance with any provision hereunder, shall not operate as a waiver of any of the City’s rights in connection with this Contract nor shall it give rise to actions by any third parties including identified M/W/DSBE participants.

(b) **Special Requirements Applicable to Non-Profit Providers.** In the event the Provider is a non-profit, the Contract may not be subject to M/W/DSBE participation ranges, but Provider shall demonstrate its compliance with the Antidiscrimination Policy by providing annually to OEO the following information:

1. a statement identifying the race, gender, disability status and ethnic composition of its workforce and board of directors;

2. a list of the non-profit’s five highest dollar value M/W/DSBE suppliers of products and services; and

3. the non-profit’s written “equal opportunity statement,” an assurance of the non-profit’s efforts to maintain a diverse workforce and board of directors and operate a fair and effective supplier diversity program.

(c) **Criminal Liability for Fraudulent or False Statements.** Provider hereby verifies that all information submitted to the City in connection with the Antidiscrimination Policy is true and correct and is notified that the submission of false information is subject to the penalties of 18 Pa.C.S. §4904 relating to unsworn falsification to authorities, which may include payment of a fine of at least $1,000 and a term of imprisonment of not more than two years. Provider also acknowledges that under 18 Pa.C.S. §4107.2(a)(4), it is a felony in the third degree, punishable by a term of imprisonment of not more than seven years in addition to the payment of any fines or restitution, if, under this Contract, Provider fraudulently obtains public moneys reserved for or allocated or available to minority business enterprises or women’s business enterprises.

1681), and 45 C.F.R. Part 92, as they may be amended from time to time, which together prohibit
discrimination on the basis of race, color, national origin, sex, handicap, age and religion.

14.5 **Americans With Disabilities Act.** Provider understands and agrees that no
individual with a disability shall, on the basis of the disability, be excluded from participation in
this Contract or from providing Services or Materials under this Contract. By executing and
delivering this Contract, Provider covenants to comply with all provisions of the Americans With
Disabilities Act (the “ADA”), 42 U.S.C. §§12101 - 12213, and all regulations promulgated
thereunder, as the ADA and regulations may be amended from time to time, which are applicable
(a) to Provider; (b) to the benefits, Services, Materials, activities, facilities and programs
provided in connection with this Contract; (c) to the City, or the Commonwealth of
Pennsylvania; (d) to the benefits, services, activities, facilities and programs of the City or of the
Commonwealth; and (e) if any funds under this Contract are provided by the federal government,
which are applicable to the federal government and its funds, benefits, services, activities,
facilities and programs applicable to this Contract. Without limiting the applicability of the
preceding sentence, Provider shall comply with the "General Prohibitions Against
Discrimination," 28 C.F.R. Part 35.130, and all other regulations promulgated under Title II of
the ADA, as they may be amended from time to time, which are applicable to the benefits,
services, facilities, programs and activities provided by the City through contracts with outside
contractors.

14.6 **Northern Ireland.**

(a) In accordance with Section 17-104 of the Code, Provider (including any parent
company, subsidiary, exclusive distributor or company affiliated with Provider) (1) confirms that
it does not have, and agrees that it will not have at any time during the Term of this Contract
(including any extensions of the Term), any investments, licenses, franchises, management
agreements or operations in Northern Ireland and (2) agrees that no product to be provided to the
City under this Contract will originate in Northern Ireland, unless Provider has implemented the
fair employment principles embodied in the MacBride Principles.

(b) In the performance of this Contract, Provider agrees that it will not use any
suppliers, Subcontractors or subconsultants at any tier (1) who have (or whose parent, subsidiary,
exclusive distributor or company affiliate have) any investments, licenses, franchises,
management agreements or operations in Northern Ireland or (2) who will provide products
originating in Northern Ireland unless said supplier, subconsultant or Subcontractor has
implemented the fair employment principles embodied in the MacBride Principles.

(c) Provider agrees to cooperate with the City’s Director of Finance in any manner
which the said Director deems reasonable and necessary to carry out the Director’s
responsibilities under Section 17-104 of the Code. Provider expressly understands and agrees
that any false certification or representation in connection with this Section 14.6 (Section 17-104
of the Code) and any failure to comply with the provisions of this Section 14.6 (the Section 17-
104 of the Code) shall constitute a substantial breach of this Contract entitling the City to all
rights and remedies provided in this Contract or otherwise available at law (including, but not
limited to, Section 17-104 of the Code) or in equity. In addition, Provider understands that false certification or representation is subject to prosecution under Title 18 Pa. C.S. Section 4904.

14.7 **Limited English Proficiency.** Provider understands and agrees that no individual who is limited in his or her English language proficiency shall be denied access to Services provided under this Contract on the basis of that limitation. As a condition of accepting and executing this Contract, Provider shall comply with all provisions of Title VI of the Civil Rights Act of 1964, Executive Order No. 12250 of the President of the United States, publication of the Mayor of the City of Philadelphia’s Executive Order entitled, “Access to Federally Funded City Programs and Activities for Individuals with Limited English Proficiency” dated September 29, 2001, and all regulations promulgated thereunder, as the Act and regulations may be amended from time to time, which are applicable (a) to Provider, (b) to the benefits, services, activities and programs provided in connection with this Contract, (c) to the City, or the Commonwealth of Pennsylvania, and (d) to the benefits, services, activities and programs of the City or of the Commonwealth, and if any funds under this Contract are provided by the federal government, which are applicable to the federal government and its benefits, services, activities and programs. Without limiting the applicability of the preceding sentence, Provider shall comply with 45 C.F.R. 80 et. seq. and all other regulations promulgated under Title VI of the Civil Rights Act of 1964, as they may be amended from time to time, which are applicable to the benefits, services, programs and activities provided by the City through contracts with outside contractors.

14.8 **Business, Corporate and Slavery Era Insurance Disclosure.**

(a) In accordance with Section 17-104 of the Code, the Provider, after execution of this Contract, will complete an affidavit certifying and representing that the Provider (including any parent company, subsidiary, exclusive distributor or company affiliated with Provider) has searched any and all records of the Provider or any predecessor company regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era. The names of any slaves or slaveholders described in those records must be disclosed in the affidavit.

(b) The Provider expressly understands and agrees that any false certification or representation in connection with this Section and/or any failure to comply with the provisions of this Section shall constitute a substantial breach of this Contract entitling the City to all rights and remedies provided in this Contract or otherwise available in law (including, but not limited to, Section 17-104 of the Code) or equity and the Contract will be deemed voidable. In addition, it is understood that false certification or representation is subject to prosecution under Title 18 Pa. C.S. Section 4904.

14.9 **Protected Health Information.**

(a) The City of Philadelphia is a “Covered Entity” as defined in the regulations issued pursuant to the federal Health Insurance Portability and Accountability Act of 1996 (“HIPAA”). The City’s business activities include both (1) functions which make the City a Covered Entity, and, therefore, subject to HIPAA, and (2) functions that are not subject to
HIPAA. In accordance with 45 CFR §164.105(a)(2)(iii)(D), the City has designated certain departments and units of the City as health care components that must comply with HIPAA ("Covered Components"). The Covered Components of the City as of August 1, 2013 include: Ambulatory Health Services, a unit of the Philadelphia Department of Public Health ("PDPH"); the Office of Behavioral Health and Intellectual disAbility Services; the Philadelphia Nursing Home (a unit of PDPH); the Benefits Administration Unit of the Office of Human Resources; Emergency Medical Services (a unit of the Philadelphia Fire Department); and the Philadelphia Public Health Laboratory (a unit of PDPH). This list is subject to change, and any department or unit of the City that the City in the future determines to be a Covered Component under HIPAA shall be deemed to be a Covered Component for purposes of this Section 14.9

(b) To the extent (1) this Contract is entered into by the City for or on behalf of a Covered Component and/or requires the performance of services that will be delivered to or used by a Covered Component (whether or not the City department or unit through which the City entered the Contract is a Covered Component), and (2) Provider is a "Business Associate" of the City, as defined in 45 CFR §160.103, Provider shall comply with the City's Terms and Conditions Relating to Protected Health Information ("City PHI Terms") posted on the City's website (at https://secure.phila.gov/eContract/ under the "About" link). The City PHI Terms are hereby incorporated in this Section 14.9 as if fully set forth herein. (A printed version of the City PHI Terms, in the City's sole discretion, also may be attached to this Contract.)

(a) Provider is a "Service Contractor" in that by virtue of entering into this Contract, Provider has entered into a "Service Contract," as those terms are defined in Chapter 17-1300 of the Code. Any Subcontract between Provider and a Subcontractor to perform Services under this Contract is a "Service Contract" and such Subcontractors are also "Service Contractors" for purposes of Chapter 17-1300 as are any subcontract and subcontractor at any tier providing Services under this Contract. (Chapter 17-1300 is accessible at http://www.amllegal.com/library/pa/philadelphia.shtml.) If such Service Contractor (Provider or any subcontractor at any tier) is also an "Employer," as that term is defined in Section 17-1302 (more than 5 employees), and further described in Section 17-1303 of the Code, then absent a waiver, during the Initial Term and any Additional Term, in addition to any applicable state and federal requirements, Provider shall provide, and shall enter into Subcontracts and otherwise cause any subcontractors at any tier that are also Service Contractors to provide, their respective covered Employees (persons who perform work for a covered Employer that arises directly out of a Service Contract), with at least the minimum wage standard and minimum benefits standard, and required notice thereof, stated in federal and state law and in Chapter 17-1300 of the Code. A summary of the current requirements is as follows:

(1) **Minimum Wage.**

(a) for the period through December 31, 2014, provide covered Employees with an hourly wage, excluding benefits, that is no less than $10.88/hour;
(b) as of January 1, 2015, provide their covered Employees with an hourly wage, excluding benefits, that is no less than $12/hour;

(c) commencing as of January 1, 2016, for wages to be provided on and after January 1 of each year during which the Initial Term and any Additional Term is in effect, provide their covered Employees with an hourly wage, excluding benefits, that is no less than the result of multiplying $12 by the then current CPI Multiplier as annually adjusted. For purposes of determining the minimum hourly wage required, the CPI Multiplier is calculated annually by the City’s Director of Finance by dividing the most recently published Consumer Price Index for all Urban Consumers (CPI-U) as of each January 1 by the CPI-U most recently published as of January 1, 2015. The then current minimum hourly wage applicable to City contractors and subcontractors will be posted on the City’s web site.

(2) Minimum Benefits.

(a) to the extent an Employer provides health benefits to any of its employees, provide each full-time, non-temporary, non-seasonal covered Employee with health benefits at least as valuable as the least valuable health benefits that are provided to any other full-time employees of the Employer; and

(b) provide to each full-time, non-temporary, non-seasonal covered Employee at least the minimum number of earned sick leave days required by Code Section 17-1305(2).

(3) Generally. Notwithstanding the above requirements, to the extent a change in law would require an increase in wages or benefits under Chapter 17-1300 (for example, an increase in the federal minimum wage to $9.00/hour, which would increase the required City minimum wage to $13.50 due to the Chapter’s requirement of $150% of the federal minimum wage), such new requirement will take effect only at the start of an Additional Term, if any, commencing on or after the date of the new legal requirement.

(b) If covered, absent a waiver, Provider shall promptly provide to the City all documents and information as the City may require verifying its compliance, and that of all Service Contractors providing Services under the Contract, with the requirements of Chapter 17-1300. Each covered Service Contractor shall notify each affected Employee what wages and benefits are required to be paid pursuant to Chapter 17-1300.

(c) Absent a waiver, a Provider subject to Chapter 17-1300 shall comply with all of its requirements as they exist on the date when the Provider entered into this Contract with the City or into an amendment thereto. Provider shall take such steps as are necessary to notify its Subcontractors of these requirements, and to cause such Subcontractors to notify lower-tier subcontractors that are Service Contractors of these requirements, including, without limitation, by incorporating this Section 14.10, with appropriate adjustments for the identity of the parties, in its Subcontracts with such Subcontractors. A Provider or subcontractor at any tier subject to Chapter 17-1300 that fails to comply with these provisions may, after notice and hearing before
the Director of Finance or such other officer or agency designated by the Mayor, be suspended from receiving financial assistance from the City or from bidding on and/or participating in future City contracts, whether as a prime contractor or a subcontractor, for up to three (3) years. City Council may also initiate a similar suspension or debarment process. Such suspension or debarment shall be in addition to any of the other sanctions or remedies set forth in Chapter 17-1300 or this Contract.

(d) Without limiting the applicability of Articles XI (Events of Default) and XII (Remedies) above, Provider’s failure to comply, or the failure of subcontractors at any tier to comply, with the requirements of Chapter 17-1300 shall constitute a substantial breach of this Contract entitling the City to all rights and remedies provided in this Contract or otherwise available at law or in equity.

(e) Provider’s covered Employees shall be deemed third-party beneficiaries of Provider’s representation, warranty, and covenant to the City under this Section 14.10 only, and the covered Employees of a subcontractor at any tier that is also a covered Employer performing Services directly or indirectly under a subcontract at any tier shall be deemed third-party beneficiaries of their Employer’s representation, warranty and covenant to Provider or such subcontractors at any tier, as the case may be, under this Section.

(f) The Office of Labor Standards may grant a partial or total waiver of Chapter 17-1300 based on specific stipulated reasons elaborated in Section 17-1304 of the Code. An overview offering guidance on the applicability of, and requirements placed on City contractors and subcontractors by Chapter 17-1300 of the Code is available on the City’s website at https://secure.phila.gov/eContract/ under the “About” link; see “Minimum Wage and Equal Benefits Ordinances Impacting Some City Contractors.”

14.11 Chapter 17-1400 of the Philadelphia Code: Contributions and Other Mandatory Disclosures.

(a) Provider confirms on behalf of itself and its Subcontractor(s) that no contribution(s) have been made, and agrees that none shall be made during the Term of this Contract, and any Additional Term, by Provider, any Subcontractor, or any party from which a contribution can be attributed to the Provider or Subcontractor, that would render the Provider or Subcontractor, as applicable, ineligible to apply for or enter into a Non-Competitively Bid Contract under the provisions of Sections 17-1404(1) and 17-1405 of the Code; and that disclosures made as part of its application to receive a Non-Competitively Bid Contract contain no material misstatements or omissions. Breach of this covenant shall constitute an event of default and render the Contract voidable at the City’s option, and, as to contributions made by or attributable to Provider, shall make the Provider liable for liquidated damages to the City in the amount of ten percent (10%) of the maximum payments to the Provider allowed under the Contract, regardless whether actually paid. The City may exercise any or all of the remedies set forth in this Section 14.11 (Contributions and Other Mandatory Disclosures), each of which may be pursued separately or in conjunction with such other remedies as the City in its sole discretion shall determine. No extension or indulgence granted by the City to Provider shall operate as a
waiver of any of the City’s rights in connection with this Contract. The rights and remedies of the City as described in this Section 14.11, and as described elsewhere in this Contract, shall not be exclusive and are in addition to any other rights or remedies available to the City under this Contract at law or in equity.

(b) Provider shall, during the term of the Contract, any Additional Term, and for one year thereafter, disclose any contribution of money or in-kind assistance the Provider, or any Subcontractor or Consultant utilized by Provider in connection with this Contract, has made, or any individual or entity has made if such contributions can be attributed to Provider, or such Subcontractor or Consultant pursuant to the attribution rules of Section 17-1405, during such time period to a candidate for nomination or election to any public office in the Commonwealth of Pennsylvania or to an individual who holds such office, or to any political committee or state party in the Commonwealth of Pennsylvania, or to any group, committee or association organized in support of any such candidate, office holder, political committee or state party, and the date and amount of such contribution.

(c) It shall not be a violation of Section 14.11(b) if Provider fails to disclose a contribution made by a Consultant because the Provider was unable to obtain such information from the Consultant, provided the Provider demonstrates that it used reasonable efforts to attempt to obtain such information, including, at a minimum:

(1) Entering into a written agreement with the Consultant for such Consultant’s services, before the filing of the application for the Contract, and before the Consultant communicated with a City department or office, official or employee on behalf of the Provider;

(2) Including in such agreement a provision requiring the Consultant to provide the Provider in a timely manner with all information required to be disclosed under the provisions of Chapter 17-1400 of the Code, and providing, in effect, that the agreement will be terminated by the Provider if the Consultant fails to provide all required information on a timely basis and that no further payments, including payments owed for services performed prior to the date of termination, will be made to the Consultant by or on behalf of the Provider as of the date of such termination;

(3) Communicating regularly with the Consultant concerning the Consultant’s obligations to provide timely information to permit the Provider to comply with the provisions of Chapter 17-1400; and

(4) Invoking the termination provisions of the written agreement in a full and timely manner.

(d) The Provider shall, during the Term of the Contract, any Additional Term, and for one year thereafter, disclose the name and title of each City officer or employee who, during such time period, asked the Provider, any officer, director or management employee of the Provider, or any Person representing the Provider, to give money, services, or any other thing of
value (other than a Contribution as defined in Section 17-1401) to any Person, and any payment of money, provision of services, or any other thing of value (other than a Contribution as defined in Section 17-1401) given to any Person in response to any such request. The Provider shall also disclose the date of any such request, the amount requested, and the date and amount of any payment made in response to such request.

(e) The Provider shall, during the Term, and any Additional Term, of the Contract disclose the name and title of each City officer or employee who directly or indirectly advises the Provider, any officer, director or management employee of the Provider, or any Person representing the Provider that a particular Person could be used by the Provider to satisfy any goals established in the Contract for the participation of minority, women, disabled or disadvantaged business enterprises. The Provider shall also disclose the date the advice was provided, and the name of such particular Person.

(f) The disclosures required by Sections 14.11(b), (d) and (e) shall be made utilizing the online disclosure update process through Provider’s eContract Philly account which can be accessed on the City’s website at www.phila.gov/contracts by clicking on eContract Philly. Such disclosures shall be made within five (5) business days of the action or event requiring Provider to update its disclosures. In the case of updates to political contributions made by Provider required by Section 14.11(b), the attribution rules of Section 17-1405 shall apply to determine what contributions must be disclosed under this provision as contributions of the Provider or of a Consultant. Provider is advised that any individual who submits an update on eContract Philly must be an authorized signatory of the Provider, authorized to make the required updated disclosures.

(g) Reports generated automatically by the online process for the updated disclosures required by Sections 14.11(b), (d) and (e) will be automatically forwarded to the President and Chief Clerk of Council, and to the Mayor, Director of Finance, Procurement Department, and the Department of Records.

14.12 Executive Order 03-11: Gifts.

(a) Pursuant to Executive Order 03-11, no official or employee in the Executive and Administrative Branch of the City shall solicit or accept, directly or indirectly, anything of value, including any gift, gratuity, favor, entertainment, invitation, food, drink or loan, unless consideration of equal or greater value is conveyed in return, from any of the following sources:

(1) A person seeking to obtain business from, or who has financial relations with the City;

(2) A person whose operations or activities are regulated or inspected by any City agency;

(3) A person engaged, either as principal or attorney, in proceedings before any City agency or in court proceedings in which the City is an adverse party;
(4) A person seeking legislative or administrative action by the City; or

(5) A person whose interests may be substantially affected by the performance or nonperformance of the official’s or employee’s official duties.

(b) Provider understands and agrees that if it offers anything of value to a City official or employee under circumstances where the receipt of such item would violate the provisions of this Executive Order, Provider shall be subject to sanctions with respect to future City contracts. Such sanctions may range from disqualification from participation in a particular contract to debarment, depending on the nature of the violation.

14.13 **Chapter 17-1900 of the Philadelphia Code: Equal Benefits Ordinance.**

(a) Unless Provider is a government agency, this is a “Service Contract” as that term is defined in Section 17-1901(4) of the Code. If the Service Contract is in an amount in excess of $250,000, then pursuant to Chapter 17-1900 of the Code, Provider shall, for any of its employees who reside in the City, or any of its employees who are non-residents subject to City wage tax under Section 19-1502(1)(b) of the Code, extend the same employment benefits the Provider extends to spouses of its employees to life partners of such employees. Provider certifies that (i) it is in compliance with the requirements of Chapter 17-1900, (ii) its employees have been notified of the employment benefits available to life partners pursuant to Chapter 17-1900, and (iii) such employment benefits are currently, or will be made available within the time required by Section 17-1902(2), or that the Provider does not provide employment benefits to the spouses of married employees.

(b) Provider acknowledges and agrees that the following terms are included in this Contract:

(1) Provider shall notify its employees of the employment benefits available to life partners pursuant to Chapter 17-1900 of the Code.

(2) Noncompliance by the Provider with the requirements of Chapter 17-1900 of the Code shall be a material breach of this Contract.

(3) Discrimination or retaliation by the Provider against any employee on account of having claimed a violation of Chapter 17-1900 shall be a material breach of this Contract.

(4) In addition to any other rights and remedies available to the City pursuant to this Contract at law or in equity, a material breach of this Contract related to Chapter 17-1900 may result in the suspension or debarment of Provider from participating in City contracts for up to three (3) years.
(c) An overview offering guidance on the applicability of, and requirements placed on City contractors by Chapter 17-1900 of the Code is available on the City’s website (at https://secure.phila.gov/eContract/ under the “About” link) (see “Minimum Wage and Equal Benefits Ordinances Impacting Some City Contractors”).

This Contract and all disputes arising under this Contract shall be governed, interpreted, construed and determined in accordance with the laws of the Commonwealth of Pennsylvania, without giving effect to principles of Pennsylvania law concerning conflicts of laws.

15.2 Amendments: Waiver. This Contract may not be amended, supplemented, altered, modified or waived, in whole or in part, except by a written Amendment signed by the Parties. Except to the extent that the Parties may have otherwise agreed in writing in an Amendment, no waiver, whether express or implied, by either Party of any provision of this Contract shall be deemed: (a) to be a waiver by that Party of any other provision in this Contract; or (b) to be a waiver by that Party of any breach by the other Party of its obligations under this Contract. Any forbearance by a Party in seeking a remedy for any noncompliance or breach by the other Party shall not be deemed to be a waiver of rights and remedies with respect to such noncompliance or breach.

15.3 Integration. The Contract Documents forming this Contract, including the Provider Agreement and the General Provisions and the exhibits incorporated by reference therein, contain all the terms and conditions agreed upon by the Parties, constitute the entire agreement among the Parties pertaining to the subject matter hereof, and supersede all prior agreements, understandings, negotiations and discussions, whether oral or written, of the Parties (except to the extent specifically set forth herein). No other prior or contemporaneous agreements, covenants, representations or warranties, oral or otherwise, regarding the subject matter of this Contract shall be deemed to exist or to bind any Party or to vary any of the terms contained in this Contract.

15.4 No Joint Venture. The Parties do not intend to create, and nothing contained in this Contract shall be construed as creating, a joint venture arrangement or partnership between the City and Provider with respect to the Services or the Materials.

15.5 No Third Party Beneficiaries. With the exception of the remedy provided to third party beneficiaries by Section 14.10(e), nothing in this Contract, express or implied, is intended or shall be construed to confer upon or give to any Person, other than the Parties, any rights, remedies, or other benefits, including but not limited to third-party beneficiary rights, under or by reason of this Contract. This Contract shall not provide any third party with any remedy, claim, liability, reimbursement, cause of action or other right other than any such remedy, claim, etc. existing without reference to the term of or the existence of this Contract.
15.6 **Counterparts.** This Contract may be executed in one or more counterparts, each of which shall be deemed an original, but all of which, taken together, shall constitute one and the same instrument.

15.7 **Severability and Partial Invalidity.** The provisions of this Contract shall be severable. If any provision of this Contract or the application thereof for any reason or in any circumstance shall to any extent be held to be invalid or unenforceable, the remaining provisions of this Contract and the application of such provision to Persons, or circumstances, other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Contract shall be valid and enforceable to the fullest extent permitted by law.

15.8 **Survival.** Any and all provisions set forth in this Contract which, by its or their nature, would reasonably be expected to be performed after the termination of this Contract shall survive and be enforceable after such termination. Any and all liabilities, actual or contingent, which shall have arisen in connection with this Contract shall survive the expiration or earlier termination of this Contract, along with the following: Provider’s representations, warranties and covenants set forth in Article IV (Provider’s Representations, Warranties and Covenants) above; Provider’s obligation to indemnify, defend and hold harmless the City, its officers, employees and agents as set forth in Section 8.2 (Indemnification) above; and the Parties’ rights and obligations set forth in Article X (Ownership of Materials; Proprietary Information; Confidentiality) above.

15.9 **Determination of Disputes.** Any dispute arising between the City and Provider under or with respect to either Party’s covenants, obligations, powers, rights or duties under this Contract shall be submitted to and decided by the Responsible Official or his or her designee. The Responsible Official or his or her designee shall render and reduce to writing his or her decision, and furnish a copy to Provider by notice under this Contract. In connection with any dispute under this Contract, the Responsible Official shall offer Provider an opportunity to offer evidence in support of its position concerning the subject matter of the dispute. This section shall not be construed to limit the benefit to the City of Articles XI (Events of Default) or XII (Remedies) above.

15.10 **Interpretation; Order of Precedence.** In the event of a conflict or inconsistency between the terms of these General Provisions and the terms of the Provider Agreement, the terms of these General Provisions shall control, except to the extent (if any) that the Provider Agreement contains an express change, by specific reference, to the General Provisions.

15.11 **Headings.** The titles, captions or headings of Articles, Sections and Exhibits or schedules in this Contract are inserted for convenience of reference only; do not in any way define, limit, describe or amplify the provisions of this Contract or the scope or intent of the provisions, and are not a part of this Contract.

15.12 **Statutes and Other Citations.** All statutory or other citations of law referenced in the Contract shall refer to the statute or citation referenced, as it may be amended or superseded from time to time.
15.13 **Days.** Any references to a number of days in this Contract shall mean calendar days unless this Contract specifies business days.

15.14 **Forum Selection Clause; Consent to Jurisdiction.** The Parties irrevocably consent and agree that any lawsuit, action, claim, or legal proceeding involving, directly or indirectly, any matter arising out of or related to this Contract, or the relationship created or evidenced thereby, shall be brought exclusively in the United States District Court for the Eastern District of Pennsylvania or the Court of Common Pleas of Philadelphia County. It is the express intent of the Parties that jurisdiction over any lawsuit, action, claim, or legal proceeding shall lie exclusively in either of these two (2) forums. The Parties further irrevocably consent and agree not to raise any objection to any lawsuit, action, claim, or legal proceeding which is brought in either of these two (2) forums on grounds of venue or *forum non conveniens*, and the Parties expressly consent to the jurisdiction and venue of these two (2) forums. The Parties further agree that service of original process in any such lawsuit, action, claim, or legal proceeding may be duly effected by mailing a copy thereof, by certified mail, postage prepaid to the addresses specified in Section 5.1 (Notice) of the Provider Agreement.

15.15 **Waiver of Jury Trial.** Provider hereby waives trial by jury in any legal proceeding in which the City is a party and which involves, directly or indirectly, any matter (whether sounding in tort, contract or otherwise) in any way arising out of or related to this Contract or the relationship created or evidenced hereby. This provision is a material consideration upon which the City relied in entering into this Contract.

15.16 **Notices.** All notices, demands, requests, waivers, consents, approvals or other communications which are required or may be given under this Contract shall be in writing and shall be deemed to have been duly made (a) when received or refused if delivered by hand with receipt given or refused; (b) on the next business day if delivered by a nationally recognized overnight courier service (e.g., Federal Express or United Parcel Service); (c) on the date confirmed for receipt by facsimile if delivered by facsimile; and (d) upon receipt or refusal of delivery if sent by certified or registered United States mail, return receipt requested. In each case notices shall be sent to the addresses set forth in Section 5.1 (Notice) of the Provider Agreement, or to such other address as either Party may specify to the other by a notice complying with the terms of this Section 15.16 (Notices).

APPENDIX B1
CITY OF PHILADELPHIA
OFFICE OF ECONOMIC OPPORTUNITY
ANTIDISCRIMINATION POLICY- MINORITY, WOMAN AND DISABLED OWNED BUSINESS ENTERPRISES
FORMS, INSTRUCTIONS AND SPECIAL CONTRACT PROVISIONS
(NON-COMPETITIVELY BID CONTRACTS)

Under the authority of Executive Order No. 03-12, the City of Philadelphia has established an antidiscrimination policy ("Policy") relating to the participation of Minority (MBE), Woman (WBE) and Disabled (DSBE) Owned Business Enterprises in City contracts. Executive Order 03-12 is administered by the City's Office of Economic Opportunity ("OEO").

The purpose of this Policy is to provide equal opportunity for all businesses and to assure that City funds are not used, directly or indirectly, to promote, reinforce or perpetuate discriminatory practices. The City is committed to fostering an environment in which all businesses are free to participate in business opportunities without the impediments of discrimination and participate in all City contracts on an equitable basis. In accordance with the contracting requirements of the City, the City’s antidiscrimination policy is applicable to this Notice of Contracting Opportunity (hereinafter, “NOCO”).

The Office of Economic Opportunity has approved the following projected ranges of participation for this NOCO which serve as a guide in determining each applicant’s responsibility:

<table>
<thead>
<tr>
<th>Category</th>
<th>Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>MBE</td>
<td>15% - 20%</td>
</tr>
<tr>
<td>And/OR</td>
<td></td>
</tr>
<tr>
<td>WBE</td>
<td>15% - 20%</td>
</tr>
<tr>
<td>DSBE</td>
<td>____% - _____%</td>
</tr>
</tbody>
</table>

These ranges represent the percentage of MBE, WBE and/or DSBE (collectively, “M/W/DSBE”) participation that should be attained by M/W/DSBEs from business opportunities existing in the available market absent discrimination in the solicitation and selection of these businesses and through applicant’s exercise of Best and Good Faith Efforts. Best and Good Faith Efforts are those efforts, the scope, intensity and appropriateness of which are taken to achieve meaningful and representative opportunities for participation by M/W/DSBEs. These ranges are derived from an analysis of factors such as the size and scope of the contract and the availability of certified M/W/DSBEs to perform various elements of the contract. The submission of a Solicitation For Participation and Commitment Form and any supporting documentation (more fully discussed below) is an element of responsiveness to the NOCO and failure to submit the required information will result in rejection of your proposal.

Applicant hereby verifies that all forms, information and documentation submitted to OEO are true and correct and is notified that the submission of false information by applicant is subject to the penalties of 18 Pa.C.S. §4904 relating to unsworn falsification to authorities which may include payment of a fine of at least $1,000 and a term of imprisonment of not more than two years. Applicant also acknowledges that under 18 Pa.C.S. §4107.2 (a)(4) it is a felony in the third degree, punishable by a term of imprisonment of not more than seven years in addition to the payment of any fines or restitution, if, under any contract awarded pursuant to this NOCO, applicant fraudulently obtains public moneys reserved for or allocated or available to minority business enterprises or women's business enterprises.

---

1 The term “Notice of Contracting Opportunity,” shortened to the acronym “NOCO,” refers to the City's contract solicitation documents and information posted on eContract Philly. Generally, these documents take the form of a Request for Proposals (RFP), Request for Qualifications (RFQ) or Request for Expression of Interest (RFI) and include any other document or information (for example, exhibits, appendices) related to the posting of the new contract opportunity.
A. M/W/DSBE PARTICIPATION

1. Only firms that are certified by an approved certifying agency and identified in the OEO Certification Registry by the time of contract award will be credited toward the participation ranges on City contracts. An OEO Certification Registry is maintained by the OEO and is available online at www.phila.gov/OEO/directory. Firms owned and controlled by minority persons, women or disabled persons, which are certified as MBE, WBE, DSBE or DBE by an approved certifying agency may apply to the OEO for listing in its OEO Certification Registry.

2. No applicant that seeks to meet the participation range(s) for participation by entering into a subcontract with any M/W/DSBE participant shall be considered to meet the range(s) if the M/W/DSBE participant does not perform a commercially useful function (“CUF”). An M/W/DSBE performs a Commercially Useful Function when it performs a distinct element of a City Contract (as required by the services to be performed in accordance with the NOCO) which is worthy of the dollar amount of the M/W/DSBE Subcontract and the M/W/DSBE carries out its responsibilities by managing and supervising the services involved and actually self-performing at least twenty percent (20%) of the services of the Subcontract with its own employees. For suppliers, an M/W/DSBE performs a Commercially Useful Function when it is responsible for sourcing the material, negotiating price, determining quality and quantity, ordering the material and paying for it from its own funds. Commercial usefulness will be evaluated and determined by the OEO on a proposal by proposal basis as informed by prevailing industry standards and the M/W/DSBE’s NAIC codes. Participation that is not commercially useful will not be counted.

3. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g. MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The firm will not be credited toward more than one category. Applicants will note with their submission which category, MBE or WBE or DSBE, is submitted for credit.

4. An MBE/WBE/DSBE submitting as the prime applicant is required, like all other applicants, to submit a proposal that is responsive to the Policy. The M/W/DSBE Applicant will receive credit towards the participation range for its certification category (e.g., MBE range or WBE range or DSBE range). In addition, the participation of an M/W/DSBE partner, as part of a joint venture created for this contract, may be credited towards the participation ranges only to the extent of the M/W/DSBE partner’s ownership interest in the joint venture in accordance with the following criteria:

   - The MBE, WBE or DSBE partner(s) must be identified in the OEO Registry prior to contract award;
   - The M/W/DSBE partner(s) must derive substantial benefit from the arrangement;
   - The M/W/DSBE partner(s) must be substantially involved in all phases of the contract including planning, staffing and daily management;
   - The business arrangement must be customary (i.e., each partner shares in the risk and profits of the joint venture commensurate with their ownership interest, contributes working capital and other resources, etc).

5. M/W/DSBE Subcontractors must perform at least twenty percent (20%) of the total amount of work to be performed under the Subcontract with their own employees.

---

2 Approved certifying agencies are identified on the OEO webpage found at www.phila.gov/OEO. Applicant is strongly encouraged to search the Pennsylvania Unified Certification Program (“PaUCP”) Directory which offers a robust listing of DBEs; the PaUCP Directory is found at www.paucp.com.
6. In listing participation commitments on the Solicitation for Participation and Commitment Form, applicants are required to list a detailed description of the services or supply effort, the dollar amount of the quotation, and percentage of the contract the participation represents. In calculating the percentage amount, applicants may apply the standard mathematical rules in rounding off numbers. The OEO reserves the right to request clarifying information from applicants in the event of an inconsistency or ambiguity in the Solicitation For Participation and Commitment Form.

B. RESPONSIVENESS

1. A proposal responsive to the Policy is one which contains documentary evidence of the M/W/DSBEs that have been solicited and that will be used by the applicant on the contract, if awarded; where the proposal satisfies the M/W/DSBE participation ranges for that contract, the applicant is rebuttably presumed not to have discriminated in its selection of contract participants.

2. Applicants must submit documentary evidence of MBE, WBE and DSBEs who have been solicited and with whom commitments have been made in response to each of the participation ranges included in this NOCO. Failure to submit the Solicitation For Participation and Commitment Form will result in the rejection of the proposal as nonresponsive, although the City, at its sole discretion, may allow applicants to submit or amend the Solicitation For Participation and Commitment Form at any time prior to award. The Solicitation For Participation and Commitment Form must contain the following information:

   - Documentation of all solicitations (regardless of whether commitments resulted therefrom) as well as all commitments made on the enclosed document entitled “Solicitation For Participation and Commitment Form”. Applicants should only make actual solicitations of M/W/DSBEs whose services or materials are within the scope of this NOCO. Mass mailing of a general nature to M/W/DSBEs or similar methods will not be deemed solicitation, but rather will be treated as informational notification only. A reasonable period of time should be given to all solicited firms to ensure that they have sufficient time to adequately prepare their quotes/subproposals. The applicant’s listing of a commitment with an M/W/DSBE constitutes a representation that the applicant has made a legally binding commitment to contract with such firm, upon receipt of a contract award from the City (“Contract Commitment”).

   - If the applicant has entered into a joint venture with an MBE, WBE and/or DSBE partner, the applicant is also required to submit along with the Solicitation For Participation and Commitment Form, a document entitled “Joint Venture Eligibility Information Form,” available at OEO, for the City’s review and approval of the joint venture arrangement.

3. If Applicant does not fully meet each of the range(s) for participation established for this NOCO, applicant must demonstrate that it exercised Best and Good Faith Efforts to achieve the M/W/DSBE participation ranges along with a written request, on its letterhead, for the reduction of part or all of the M/W/DSBE participation ranges (“Request For Reduction/Waiver”). Applicant, through the submission of documentary evidence must show that applicant took all necessary steps and made reasonable efforts to achieve the M/W/DSBE participation ranges, even if these efforts were not fully successful. OEO will evaluate the scope, intensity and appropriateness of these efforts to ascertain whether they could reasonably be expected to achieve M/W/DSBE participation commensurate with the ranges. Failure to submit the documentary evidence will result in rejection of the proposal as nonresponsive; the City, at its sole discretion, may allow applicants to submit or amend their submission at any time prior to award which may result in revision to Applicant’s participation commitments. The submission shall contain and discuss, at a minimum, the following:

   - Reasons for not committing with any MBE/WBE/DSBEs that submitted a quote/subproposal, regardless of whether the quote/subproposal was solicited by applicant.  
   - Any additional evidence pertinent to applicant’s conduct relating to this NOCO including sufficient evidence which demonstrates to the OEO that applicant has not engaged in discriminatory practices in the solicitation of and commitment with contract participants. In describing applicant’s efforts
to achieve participation within the ranges, applicant may submit any corroborating documentation (e.g., copies of advertisements for participation).

The applicant's documentary evidence will be reviewed by the OEO to determine whether applicant exercised Best and Good Faith Efforts in response to the participation ranges. Applicant’s expressed desire to self-perform services with its own employees will not excuse applicant from exercising Best and Good Faith Efforts to include M/W/DSBEs in its proposal and cannot be used as a basis for requesting a reduction or waiver of the participation ranges. OEO’s review will include consideration of the following:

- Applicant's contracting activities and business practices on similar public and private sector contracts. For example, if applicant rejects any M/W/DSBE based on price, applicant must fully document its reasons for the rejection and also demonstrate that applicant subjects non-M/W/DSBEs to the same pricing standards. OEO will investigate whether there was any attempt at good faith negotiation of price.

- Whether M/W/DSBEs were treated as equally as other businesses in the solicitation and commitment process. For example, the OEO will investigate whether M/W/DSBEs are given the same information, access to the plans and requirements of the contract and given adequate amount of time to prepare a quote/subproposal as others who were solicited by applicant. The OEO will also investigate whether M/W/DSBEs were accorded the same level of outreach as non-M/W/DSBEs, for example whether applicant short listed M/W/DSBEs for participation or solicited M/W/DSBEs at any pre-proposal meetings.

- Whether the applicant’s contracting decisions were based upon policies which disparately affect M/W/DSBEs. OEO will ascertain whether applicant selected portions of work or material needs consistent with the capacity of available M/W/DSBE subcontractors and suppliers. OEO will consider whether applicant employed policies which facilitate the participation of M/W/DSBEs on City contracts such as segmentation of the contract or prompt payment practices.

4. After review of the applicant’s submission and other information the OEO deems relevant to its evaluation, the OEO will make a written determination that will be forwarded to the awarding City Department.

- If the proposal is determined nonresponsive by the OEO, the applicant will be notified and may file a written appeal with the Executive Director of OEO within forty-eight (48) hours of the date of notification; the decision of the Executive Director of OEO shall be final.

C. RESPONSIBILITY

1. Upon award, the completed Solicitation For Participation and Commitment Form and accompanying documents regarding solicitation and commitments with MBEs, WBEs and DSBEs become part of the contract and the successful applicant is required to enter into legally binding agreement(s) ("M/W/DSBE Subcontract(s)") with its M/W/DSBE participants for the services and in the dollar amount(s) and percentage(s) as so committed (the "Contract Commitment(s)"). M/W/DSBE percentage commitments are to be maintained throughout the term of the contract and shall apply to the total contract value (including amendments). Any change in commitment, including but not limited to, substitutions for the listed firm(s), changes or reductions in the work and/or listed dollar/percentage amounts, must be pre-approved in writing by the OEO.

2. Unless otherwise specified in the M/W/DSBE Subcontract, the successful applicant shall, within five (5) business days after receipt of a payment from the City for services performed under the contract, deliver to its M/W/DSBE participants, their proportionate share of such payment for services performed (including the supply of materials). In connection with the payment of its M/W/DSBE participants, the successful applicant agrees to fully comply with the City’s payment reporting process which may include the use of electronic payment verification systems.

3. No privity of contract exists between the City and any M/W/DSBE participant identified in any contract resulting from this NOCO. The City does not intend to give or confer upon any such M/W/DSBE...
participant(s) any legal rights or remedies in connection with the subcontracted services pursuant to Executive Order 03-12 or by reason of any contract resulting from the NOCO except such rights or remedies that the M/W/DSBE subcontractor may seek as a private cause of action under any legally binding contract to which it may be a party.

4. If the OEO determines that the applicant has discriminated against a M/W/DSBE at any time during the term of the contract, the OEO may recommend to the Director of Finance the imposition of sanctions on the applicant including debarment of the applicant from submitting and/or participating in future City contracts for a period of up to three (3) years.

D. ACCESS TO INFORMATION

1. The OEO shall have the right to make site visits to the applicant's place of business and/or job site and obtain documents and information from any applicant, subcontractor, supplier, manufacturer or contract participant that may be required in order to ascertain applicant's responsiveness and responsibility.

2. Failure to cooperate with the OEO in its review may result in a recommendation to terminate the contract.

E. RECORDS AND REPORTS

1. The successful applicant shall maintain all books and records relating to its M/W/DSBE commitments (e.g. copies of quotations, subcontracts, joint venture agreement, correspondence, cancelled checks, invoices, telephone logs) for a period of at least three (3) years following acceptance of final payment from the City. These records shall be made available for inspection by the OEO and/or other appropriate City officials. The successful applicant agrees to submit reports and other documentation to the OEO as deemed necessary by the OEO to ascertain the successful applicant's fulfillment of its M/W/DSBE commitments.

F. REMEDIES

1. The successful applicant's compliance with the requirements of Executive Order 03-12 is material to the contract. In the event the City determines that the successful applicant has failed to comply with any of the requirements of this Antidiscrimination Policy, including substantial compliance with any Contract Commitment, the City may, in addition to any other rights and remedies it may have under the Contract which includes termination of the Contract, exercise one or more of the following remedies which shall be deemed cumulative and concurrent:

   • Debar successful applicant from proposing on and/or participating in any future contracts for a maximum period of three (3) years.

   • Withhold from the contract payment(s) or any part thereof until corrective action is taken. If corrective action is not taken to the satisfaction of OEO, the City may, without institution of a lawsuit, deduct money in an amount equal to the M/W/DSBE shortfall which amount shall be collected and considered not as a penalty but as liquidated damages for the successful applicant’s failure to comply with the contract.

The remedies enumerated above are for the sole benefit of the City and City’s failure to enforce any provision or the City's indulgence of any non-compliance with any provision hereunder, shall not operate as a waiver of any of the City’s rights in connection with any contract resulting from this NOCO nor shall it give rise to actions by any third parties including identified M/W/DSBE participants.
