PHILADELPHIA CONTINUUM OF CARE SELF-CERTIFICATION OF HOMELESS AND HOUSING STATUS

C. Staff Efforts to Obtain Written Third Party Verification of Homeless Occasions and/or Institutional Stays							
I made the following attempts to obtain written third party verification of the applicant's self-certified occasion(s) of homelessness and/or stay(s) in institutional(s) (attach additional sheets if necessary):							
D. Staff Certification I understand securing written third party verification is the preferred method of certifying occasions of homelessness and stays in institutions and self-declaration is only permitted when I have attempted but am							
unable obtain such verification.

Please note: Projects have up to 180 days after the participant's project entry date to gather third party documentation of homeless occasions. Therefore, participants can enter a project self-certifying more than 3 months of homelessness if third party verification of at least 9 months of homelessness can be obtained within 180 days of the participants' entry into the program.
